(g) Each Party shall take all reasonable and necessary actions and use its commercially reasonable efforts in good faith, to file, without any undue delay all notices, reports

and other documents required to be filed by such Party with any Governmental Body in order to allow the pledge of the Bezeq Shares for the benefit of the Company's bondholders pursuant and subject to Company Debt Modifications (the "Share Pledge"). Such efforts shall require the Purchasers to (i) file, following the date of this Agreement (without undue delays), a formal request with the Israeli Ministry of Communication to authorize the Share Pledge (and to timely respond to subsequent requests for information by the Israeli Ministry of Communication in connection therewith), and (ii) coordinate with the Company and representatives of its bondholders in respect of matters related to the Share Pledge. 8.1 Termination Events. This Agreement may be terminated and the transactions contemplated hereby abandoned prior to the Closing:

(a) by written mutual consent of Purchaser A, the Company and the Seller;

(b) by the Seller or the Company, if either Purchaser has breached any covenant or agreement contained in this Agreement, or if any representation or warranty of either Purchaser has become untrue, in each case, such that the conditions set forth in Section 6.1 or Section 6.3, as the case may be, would not be satisfied at a Closing on or prior to the End Date; provided, however, that neither the Seller nor the Company may terminate this Agreement pursuant to this Section 8.1(b) if any such breach or failure to be true has been cured within seven (7) Business Days after written notice by the Seller or the Company to Purchaser A informing Purchaser A of such breach or failure to be true, except that no cure period shall be required for a breach which by its nature cannot be cured prior to the End Date; provided, further, that neither the Seller nor the Company may terminate this Agreement pursuant to this Section 8.1(b) if either of them is then in breach of this Agreement in any material respect; further, provided, that, for the avoidance of doubt, nothing in this Section

8.1(b) shall in any way limit or otherwise modify the rights of Purchaser A pursuant to Section 8.1(f);

(c) by Purchaser A, if the Seller or the Company has breached any covenant or agreement contained in this Agreement, or if any representation or warranty of the Seller or the Company has become untrue, in each case, such that the conditions set forth in Section 6.1 or Section 6.2, as the case may be, would not be satisfied as of the Closing on or prior to the End Date; provided, however, that Purchaser A may not terminate this Agreement pursuant to this Section 8.1(c) if any such breach or failure to be true has been cured within seven (7) Business Days after written notice by Purchaser A to the Seller and the Company informing the Seller and the Company of such breach or failure to be true, except that no cure period shall be required for a breach which by its nature cannot be cured prior to the End Date; and, provided, further, that Purchaser A may not terminate this Agreement pursuant to this Section 8.1(c) if the Purchasers are then in breach of this Agreement in any material respect;

(d) by any of Purchaser A, the Company or the Seller if the Closing has not occurred on or before the End Date; provided that the End Date may be extended with the written consent of all the Parties by up to three (3) additional thirty (30)-day periods; and, provided, further, that the right to terminate this Agreement under this Section 8.1(d) shall not be available to (A) to Purchaser A if the Purchasers' breach of any provision of this Agreement causes the failure of the Closing to be consummated by the End Date, or (B) to the Seller or the Company if any breach by the Company or the Seller of any provision of this Agreement causes the failure of the Closing to be consummated by the End Date.

(e) by any of Purchaser A, the Company or the Seller, if the consummation of the transactions contemplated hereby is permanently enjoined or prohibited by the terms of a final, non-appealable Order of a Governmental Body of competent jurisdiction.

(f) By Purchaser A, if any of the Court Approval or the Shareholders Approval has not been obtained prior to or on the date that is sixty (60) calendar days after the date of this Agreement.

8.2 Notice of Termination; Effect of Termination.

(a) A Party desiring to terminate this Agreement pursuant to Section 8.1 shall give written notice of such termination to the other Parties, specifying the provision pursuant to which such termination is effective.

(b) Notwithstanding anything in this Agreement or otherwise to the contrary, if this Agreement is validly terminated prior to Closing in accordance with Section 8.1, except in the event of fraud, the maximum aggregate liability of a Party, its Non-Recourse Parties and their respective successors and assigns for any and all Losses (whether at law, in equity, in contract, in tort or otherwise) in connection with, relating to or arising out of the Transaction Documents (including any breach or nonperformance thereof) or the transactions contemplated hereby and thereby, shall in no event exceed (i) in the case of the Company, the Company Liability Cap, (ii) in the case of the Seller, the Seller Liability Cap, or (iii) in the case of the Purchasers, the Purchaser Liability Cap (provided that no Purchaser shall be responsible in excess of its Purchaser's Pro Rata Share of the Purchaser Liability Cap).

(c) Each Party acknowledges that the agreements contained in this Section 8.2 are an integral part of the transactions contemplated by this Agreement, and that without these agreements, neither Party would enter into this Agreement.

(d) Each Party's right of termination under Section 8.1 is in addition to the specific performance rights as set forth in Section 9.13.

(e) If this Agreement is validly terminated pursuant to Section 8.1, all further obligations of the Parties under this Agreement will terminate and there shall be no liability on the part of any Party, except that (i) the provisions of Section 8.2 and Section 9 hereof (to the extent applicable) shall survive the termination of this Agreement, and (ii) subject to and without limiting Section 8.2(b), nothing herein shall relieve or release any Party from any liability to the other Party for any breach of any of its representations, warranties, covenants or agreements set forth in this Agreement or for fraud, in each case, occurring prior to such termination.

(f) For the avoidance of doubt: (i) neither the Seller or the Company nor any of their Affiliates or Representatives is making any representations or warranties with respect to, and does not guarantee that, and nothing herein shall be construed or interpreted as (or deemed) a representation or warranty with respect to, or a guarantee that, the Court Approval will be obtained or that the Agreement will be approved by the Seller's or the Company's bondholders or shareholders and any deemed representations, warranties or other promises or commitments to the contrary are hereby expressly disclaimed; and (ii) without derogating from the obligations of the Seller or the Company hereunder, the occurrence of a Material Adverse Effect in and of itself shall not entitle the Purchasers to any remedy other than not to consummate transactions contemplated hereby; provided that nothing in this clause (ii) shall relieve or release any Party from any breach or noncompliance with any of its obligations under this Agreement.

9. MISCELLANEOUS

9.1 Expenses; Taxes. Each Party will bear its own expenses incurred in connection with the preparation, execution, and performance of this Agreement and the transactions contemplated hereunder, including all court proceedings, fees and expenses of agents, representatives, counsel, and accountants, and applicable value added tax. Except as expressly provided in this Agreement, all transfer, documentary, sales, use, stamp, registration and other such taxes and mandatory payments imposed by any Governmental Body, and all fees and charges (including any penalties and interest) incurred in connection with the consummation of the transactions contemplated hereunder shall be borne by each respective Party to the extent such Party is liable for such taxes, fees and charges, in accordance with applicable Legal Requirement.

9.2 Further Assurances. Each of the Parties shall perform such further acts and execute such further documents as may reasonably be necessary to carry out and give full effect to the provisions of this Agreement and the intentions of the Parties as reflected thereby.

9.3 Survival; Limitation on Liability; Indemnification.

(a) Survival. The representations and warranties contained in this Agreement or in any certificates delivered pursuant to this Agreement shall survive the Closing for a period of four (4) months following the Closing. Each covenant and agreement of the Parties contained in this Agreement shall survive the Closing in accordance with its terms. Notwithstanding the foregoing, any breach of representation, warranty, covenant or agreement in respect of which indemnity may be sought under this Agreement shall survive the time at which it would otherwise terminate pursuant to the foregoing, if written notice with respect thereto has been given by Purchaser A to the Seller or the Company, as applicable, prior to such time.

(b) Indemnification. Subject to the limitations set forth in this Section 9.3, from and after the Closing, the Seller shall indemnify the Purchasers and their Affiliates and their

respective Representatives, successors and assigns against, and shall defend and hold each of them harmless from, any and all liabilities, losses, damages, fines, penalties, deficiencies, taxes, judgments, interest, awards, and other costs and expenses of whatever kind, including reasonable attorneys' and accountants' fees ("Losses"), to the extent arising out of, relating to or resulting from (i) a breach by the Seller of its representations or warranties set forth in this Agreement or in the certificate delivered thereby pursuant to Section 7.2(a)(iii), or (ii) any breach by the Seller of any covenant or agreement contained in this Agreement required to be performed before, at or after the Closing.

(c) Limitation on Liability. Except in the case of fraud, (i) the Seller's maximum aggregate liability for any and all Losses in connection with, relating to or arising out of this Agreement or the transactions contemplated hereby shall in no event exceed the Seller Liability Cap, (ii) the Company's maximum aggregate liability for any Losses in connection with, relating to or arising out of this Agreement or the transactions contemplated hereby shall in no event exceed the Company Liability Cap, and (iii) each Purchaser's maximum aggregate liability for any Losses in connection with, relating to or arising out of this Agreement or the transactions contemplated hereby shall in no event exceed such Purchaser's Pro Rata Share of the Purchaser Liability Cap.

(d) No Consequential Damages. In no event, whether before or following Closing, shall any of the Parties be responsible for any indirect or punitive damages of the other Parties, including consequential or special damages of any nature whatsoever, the loss of any profits, revenues, opportunities or goodwill, even if the other Party has been advised of the possibility of such damages, except to the extent such damages arise out of fraud. It is clarified, without limiting from anything contained herein or any other rights under applicable Legal Requirements, that payment by a Party to any third party (other than, with respect to the Purchasers only, the Sponsors or any investor therein) pursuant to a judgement of a competent court, shall be considered indirect damages.

(e) It is clarified that any Restricted Matters taken by Bezeq or any subsidiary thereof (without any breach of any of Seller's or the Company's obligations hereunder), shall not, in and of itself, constitute a breach of the Seller's or the Company's representations and warranties hereunder, without limiting, modifying or otherwise affecting Purchaser's rights under Section 6.2 (including Section 6.2(c)).

9.4 Investigations. The representations, warranties, covenants and agreements of the Parties (and the conditions relating thereto) shall not be affected or deemed waived by reason of any investigation made (or not made) by or on behalf of any Party or its Affiliates (or their respective Representatives), or by reason of the fact that a Party or any of its Representatives knew or should have known of any facts or matters, including that any such representation and warranty is or might be inaccurate or untrue, whether prior to the date hereof or the Closing, and including if notwithstanding such knowledge a Party entered into this Agreement or proceeds to Closing. Each of the Parties hereby acknowledges that, regardless of any investigation made (or not made) by or on behalf of any of the other Parties or any of its Affiliates (or their respective Representatives), and regardless of the results of any such investigation, such other Parties have entered into this Agreement (and will effect the Closing) in express reliance upon the representations, warranties covenants and agreements of each Party made herein and the conditions and indemnification obligations relating thereto.

9.5 Assignments, Successors. No Party may assign any of its rights under this Agreement without the prior consent of the other Parties; provided, however, that each Purchaser may assign its rights and obligations hereunder (in whole or in part) to any Affiliate of such

Purchaser without the consent of the Seller or the Company, except that such transfer or assignment will not relieve the assigning Purchaser of any of its obligations hereunder, except to the extent such assignment would have a material and adverse effect on the ability of such Purchaser to obtain the Control Permit in a timely manner. Subject to the preceding sentence, this Agreement will apply to, be binding in all respects upon, and inure to the benefit of the successors and permitted assigns of the Parties.

9.6 No Third-Party Beneficiaries. This Agreement, specifically excluding express provisions contained in the Commitment Letters, shall not, and is not intended to, confer any rights or remedies upon any Person other than the Parties hereto and their respective successors and permitted assigns.

9.7 Notices. All notices, consents, waivers and deliveries under this Agreement must be in writing and will be deemed to have been duly given when (i) delivered by hand (against receipt), (ii) sent by fax or email (with confirmation of receipt) (iii) when received by the addressee, if sent by a nationally recognized overnight delivery service (receipt requested), or (iv) five (5) days after being sent registered or certified mail, return receipt requested, in each case to the appropriate addresses and fax numbers set forth below (or to such other addresses and fax numbers as a Party may hereafter designate by similar notice in accordance with this Section 9.7):

9.8 Governing Law. This agreement shall be governed by, and construed in accordance with, the laws of the State of Israel without giving effect to its conflict of laws principles.

9.9 Jurisdiction. Any Proceeding brought with respect to this Agreement must be brought in any court of competent jurisdiction in Tel Aviv-Jaffa, Israel and, by execution and delivery of this Agreement, each Party (i) accepts, generally and unconditionally, the exclusive jurisdiction of such courts and any related appellate court, and irrevocably agrees to be bound by any judgment rendered thereby in connection with this Agreement and (ii) irrevocably waives any

objection it may now or hereafter have as to the venue of any such suit, action or Proceeding brought in such a court or that such court is an inconvenient forum.

9.10 Amendments and Waivers. Any term of this Agreement may be amended only with the written consent of all Parties. 9.11 Delays or Omissions. No delay or omission to exercise any right, power, or remedy accruing to any of the Parties upon any breach or default by the other Party or Parties under this Agreement shall impair any such right or remedy nor shall it be construed to be a waiver of any such breach or default, or any acquiescence therein in any similar breach or default thereafter occurring.

9.12 Entire Agreement. This Agreement (together with the other Transaction Documents) supersedes all prior agreements among the Parties with respect to its subject matter and constitutes a complete and exclusive statement of the terms of the agreement between the Parties with respect to its subject matter, except for the Non-Disclosure Agreement, dated as of October 21, 2018, by and between the Seller and Searchlight Capital Partners L.P. 9.14 Enforcement. Each Party agrees that the other Parties shall have the right to enforce its rights and the obligations hereunder by an action or actions for specific performance, injunctive or other equitable relief.

9.16 Counterparts. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original and all of which, taken together, shall constitute one and the same instrument.

9.17 Several and not Joint Liability. For the removal of doubt, each Purchaser hereby acknowledges and agrees that any and all of the representations, warranties and covenants of the Seller or the Company are made severally and not jointly, and, without limiting any express representations made by a Party in this Agreement, in no event shall any of the Company or the Seller be responsible or liable in any way for any breach of the representations, warranties and covenants of the other Party.

9.18 Non-Parties. This Agreement may only be enforced against, and any claim or cause of action based upon, arising out of, or related to this Agreement or the transactions contemplated hereby may only be brought against, the Persons that are expressly named as parties hereto and then only with respect to, and to the extent of, the specific obligations set forth herein with respect to such party. Without limiting the generality of the foregoing, and notwithstanding anything that may be expressed or implied in this Agreement or any other Transaction Document or the Commitment Letters, and notwithstanding the fact that a Purchaser may be limited liability company, by entering into this Agreement, each of Parties acknowledges and agrees that: (a) no Person other than a Purchaser, the Company and the Seller shall have any obligations or liabilities under or in connection with this Agreement, and (b) no liability shall attach to, and no recourse shall be had by a Purchaser, the Company or the Seller, or any of their respective Affiliates or any Person purporting to claim by or through any of them or for the benefit of any of them under any theory of liability (including by attempting to pierce a corporate, limited liability company or partnership veil, by attempting to enforce any assessment, or by attempting to enforce any purported right at law or in equity, whether sounding in contract, tort, statute or otherwise) against, any Non-Recourse Party (as defined below) in any way under or in connection with this Agreement, the other Transaction Documents, the Commitment Letters or any other agreement or instrument delivered in connection with this Agreement or the Commitment Letters, or the transactions contemplated hereby or thereby (whether at law or in equity, whether sounding in contract, tort, statute or otherwise), including in the event a Purchaser breaches its obligations under this Agreement (whether willfully, intentionally, unintentionally or otherwise); except that: (i) the Seller or the Company may assert claims solely against the Purchasers, to cause the Purchasers to seek specific performance of each Sponsor’s obligations under the Commitment Letters (in accordance with its terms and subject to its conditions), (ii) the Seller or the Company may assert claims solely against the Sponsors, under

and subject to the terms and conditions of the Commitment Letters, and (iii) each of the Seller, the Company and the Purchasers may assert claims solely against the other Party, solely under, in accordance with and subject to the terms and conditions of this Agreement and the other Transaction Documents. As used herein, “Non-Recourse Parties” means, collectively, (1) each Party’s direct or indirect former, current or future equity holders, stockholders, members, officers, directors, employees, investment professionals, managers, management companies, general or limited partners, co-investors, controlling persons, advisors, agents, representatives, affiliates, creditors (including their trustees, representatives, advisors and attorneys), assignees or successors, (2) any and all direct or indirect former, current or future equity holders, stockholders, members, officers, directors, employees, investment professionals, managers, management companies, general or limited partners, co-investors, controlling persons, advisors, agents, representatives, affiliates, assignees or successors of any of the foregoing, (3) to the extent not already included in clauses (1) or (2) of this definition of Non-Recourse Parties, Searchlight Capital Partners, L.P., a Delaware limited partnership and any of its affiliates or any direct or indirect former, current or future equity holders, stockholders, members, officers, directors, employees, investment professionals, managers, management companies, general or limited partners, co-investors, controlling persons, advisors, agents, representatives, affiliates, assignees or successors of any of the foregoing, (4) to the extent not already included in clauses (1), (2) or (3) of this definition of Non-Recourse Parties, Local Sponsor and any of its affiliates or any direct or indirect former, current or future equity holders, stockholders, members, officers, directors, employees, investment professionals, managers, management companies, general or limited partners, co-investors, controlling persons, advisors, agents, representatives, affiliates, assignees or successors of any of the foregoing, (5) any and all former, current or future estates, heirs, executors, administrators, trustees, successors or assigns of any of the foregoing, and (6) any financial institution or other Person (other than the Sponsors pursuant to the foregoing clause (i)) which provided, provides or is committed to or will provide financing in connection with the transactions contemplated by this Agreement or the other Transaction Documents.
