NEW PROPOSAL (item 4 on the Revised Proxy Card)

The description in this Proxy Statement of the Arrangement (as defined below) and the Searchlight Transaction (as defined below) is subject to, and is qualified in its entirety by reference to, the Arrangement documents

including the share purchase agreement (the “SPA”). We have attached a copy of a translation of the full Arrangement (as filed with the Court) to this Proxy Statement as Exhibit A and we recommend that you read it carefully in its entirety. Our shareholders are not third-party beneficiaries under the Arrangement and should not rely on the representations and warranties or any descriptions thereof or on the covenants contained in the Arrangement, the SPA signed with the Purchasers or the descriptions thereof as reflections of the actual condition of the Purchasers or us or as an undertaking towards them. The Arrangement was filed with the Israeli court in the Hebrew language. In the event of any conflict between the Hebrew and the English translation on the meaning or interpretation of a word, phrase or, the Hebrew language version shall prevail.

In the event of any conflict between this proxy statement and the full Arrangement and the SPA, the Arrangement and the SPA (and any other provisions of the Arrangement documents) shall prevail. You should not rely solely on the description in this proxy and the shareholders are being asked to go through and read the full Arrangement documents attached before voting. The following description is presented for convenience and does not constitute a full and binding description.

Background

For more than a year, our management and Board of Directors have contemplated and reviewed various acquisition opportunities in an attempt to improve our financial condition. The Company has a substantial amount of existing debt, restricting our operating and financing flexibility.

On January 16, 2019, the Company announced that its Board of Directors resolved to open an immediate dialogue with the Company’s debenture holders (Series C and D) and that considering the liquidity balances of the Company and the need to maintain the value of its assets, the Company intends to withhold any payments to its debenture holders until further notice.

As indicated in the Company’s announcement dated January 16, 2019, the Company’s Board of Directors’ resolution was obtained in light of the outcome of the competitive sale process conducted by the Company for the sale of its holdings in BCOM in which the Company did not receive any binding offers to purchase its holdings in BCOM and the fact that the sale of the Company’s holdings in BCOM at the price reflected in an indication received by the Company by the final submission date, would not have enabled the full redemption of the Company’s liabilities to its creditors.

The Company’s Board continued to explore the possibility of selling its holdings in BCOM including discussions with the potential bidders. During the last few months, the Company received offers from Searchlight Capital Partners, L.P. (“**Searchlight**”) to purchase its holdings in BCOM as well as an offer from TRYMG International Communications Ltd. (formerly Zeevi International Communications Ltd.) to invest capital in the Company in consideration for 100% of the Company’s share capital.

The discussions were affected, *among else*, by the business and financial condition of Bezeq – the Israel Telecommunication Company Ltd. (“**Bezeq**”) and the fact that on March 20, 2019, BCOM announced that it intends to withhold any payments to its debenture holders until further notice.

On June 24, 2019 we announced that we have signed a definitive agreement (an “**SPA**”) with a purchaser group led by Searchlight and the Fuhrer Family (together with Searchlight, the “**Purchasers**” and the “**Searchlight Transaction**”). The SPA was filed as Exhibit 99.1 to a Form 6-K filed by the Company on EDGAR dated June 21, 2019 and is part of the Arrangement documents. It is attached as Exhibit B hereto.

The transaction will include, *among else*, the sale by the Company of its entire holdings in BCOM for an aggregate amount of NIS 225 million and an investment by the Company in BCOM of NIS 345 million (comprised of the amount to be paid by the Purchasers and an additional amount of NIS 120 million). Pursuant to the transaction, the Company will receive NIS 310 million par value of Series C debentures of BCOM as well as 8,383,234 ordinary shares of BCOM.

Upon the closing of the transaction, the Purchasers will also invest an additional amount of NIS 260 million in BCOM in consideration for 62,275,450 ordinary shares of BCOM. In addition, BCOM will offer its shareholders (other than the Company) the right to subscribe for additional ordinary shares in an aggregate amount of up to NIS 35 million (the “Aggregate Offering Amount”). Any portion of the Aggregate Offering Amount not subscribed by BCOM’s shareholders shall be subscribed by Searchlight SPC.

BCOM will repay its Series B debentures in their entirety and will repay an amount of NIS 614 million to its Series C debentures (other than the Series C debentures issued to the Company upon closing of the Searchlight Transaction). Certain amendments of BCOM’s Series C debentures will become effective and BCOM, including amendment to the financial covenants therein.

The SPA includes, *among else*, representations by the Company, including with respect of authorization to enter into the transaction, required consents, certain representations relating to BCOM and representations relating to undisclosed proceedings. The agreement further provides for certain covenants by the parties during the period between signing and closing, including, exclusivity, making the required filings with the Ministry of Communications, obtaining of a court approval and the approval of the shareholders of BCOM, as well as certain restricted actions by the Company, BCOM or Bezeq.

The SPA includes certain conditions to closing, including the receipt of a court approval, the issuance of a control permit to the Purchasers from the Ministry of Communications, antitrust approvals, absence of material adverse effect, designation of board members on behalf of the Purchasers on the boards of directors of BCOM and Bezeq, and minimum liquidity and maximum indebtedness of BCOM upon Closing. There is no certainty that the transaction will be consummated.

For full description of the Arrangement (translated to English for convenience only), including a copy of the SPA, shareholders are advised to review [Exhibit A](#). The SPA is attached as [Exhibit B](#).

If the Transaction is consummated, the Company will not be able to fully pay its debts, and the Company intends to initiate an additional creditors’ arrangement which will be submitted to the applicable Israeli court pursuant to Section 350 of the Israeli Companies Law. The Company anticipates that pursuant to such arrangement, the existing shares of the Company will be nullified and that the creditors of the Company will receive, among else, 100% of the shares of the Company.

The Court Process

Under the terms of the Searchlight Transaction, one of the conditions to closing is the receipt of the Israeli court’s approval pursuant to Section 350 of the Israeli Companies Law, 5759-1999 (the “**Arrangement**”). On July 9, 2019, the Tel-Aviv District Court (the “**Court**”) (Case no. PRK: 21556-07-19) approved our petition and ordered the convening of meetings of the Company’s creditors and Shareholders for the purpose of approving the Arrangement.

A copy of the Arrangement, as filed with the Court (translated to English for convenience only) is attached as [Exhibit A](#).

Risk Factors

In addition to the other information included in this Proxy Statement, including the matters addressed under “Cautionary Statement Concerning Forward-Looking Statements,” you should carefully consider the following risk factors in determining how to vote at the Meeting.

Failure to complete the Arrangement could negatively impact our share price, business, financial

condition, results of operations or prospects.

The Arrangement is subject to the satisfaction or waiver of certain closing conditions described above. No assurance can be given that each of the conditions will be satisfied. If the conditions are not satisfied or waived in a timely manner and the Arrangement is delayed, our debenture holders and creditors may bring the Company to immediate liquidation which may also result in delisting and cessation of operations.

We and BCOM are subject to the Control Permit for holding Bezeq shares. Failure to comply with this permit or other regulatory provisions relating to the Control Permit of Bezeq may result in the revocation of the Control Permit and our rights with respect to our Bezeq interest would be adversely impacted, which would materially and adversely affect our business and financial position.

Pursuant to the Communications Order, we were required to obtain the prior written consent of the Ministers of Communications and Finance, or the Ministers, in order to obtain a permit to acquire Bezeq.

According to the Control Permit, the control must be held by an “Israeli Party,” as defined in the Communications Order. Currently, BCOM and we are deemed to be “Israeli Parties,” so long as BCOM and we are controlled by a citizen and resident of Israel. Persons with certain criminal convictions may also not hold a Control Permit.

There is no assurance that the Purchasers will be granted a new Control Permit and this is another condition precedent to the Arrangement.

Conflicts of interest may arise between BCOM, Purchasers and us that could be resolved in a manner unfavorable to us.

The interest of BCOM in the Arrangement may not align with the interest of the Purchasers and with our own interest in dealing with our respective debenture holders and shareholders. There is no guarantee that BCOM will approve the Arrangement.

Exclusivity period may prevent better prospects.

The SPA prohibits us from entering into, soliciting or engaging in negotiations with respect to acquisition proposals or other transactions. These provisions could discourage other companies from proposing alternative transactions that may be more favorable to our shareholders than the Arrangement.

If the Transaction is consummated, the Company will not be able to fully pay its debts, and the Company intends to initiate an additional creditors’ arrangement which will be submitted to the applicable Israeli court pursuant to Section 350 of the Israeli Companies Law. The Company anticipates that pursuant to such arrangement, the existing shares of the Company will be nullified and that the creditors of the Company will receive, among else, 100% of the shares of the Company.

Recommendation of our Board of Directors

Our Board of Directors has reviewed and considered the terms and conditions of the Arrangement, including the SPA and unanimously approved the Arrangement, the SPA and the underlying transactions contemplated by the Arrangement. The Board of Directors took into consideration, *among else*, the fact that the Searchlight Transaction is the outcome of a competitive and comprehensive sale process conducted by the Company and that the transaction was approved by the Company’s debenture holders (in a preliminary vote) which are the Company’s most substantial creditor.

An English translation of the Arrangement is attached as Exhibit A to this Proxy Statement. The SPA was filed as Exhibit 99.1 to a Form 6-K filed by the Company on EDGAR dated June 21, 2019 and is attached as Exhibit

B hereto.

Required Vote

Pursuant to Israeli law requirements, a majority of the participants in the vote, other than abstentions, who jointly hold three fourths of the shares represented at the vote, is required to approve the Arrangement.

Pursuant to the provisions of Section 350 (13) of the Israeli Companies Law, the Court may impose a debt arrangement even in the event that the majority is not obtained in one of the final votes of the creditors or shareholders' meetings, subject to the Court's discretion and the terms set under Section 350 (13) of the Israeli Companies Law.

Proposed Resolution

“RESOLVED, that the Arrangement, attached as Exhibit A, including the Arrangement Documents (as defined in the Arrangement) and the other transactions contemplated by, or related to, the Arrangement, and they hereby are, approved and adopted in all respects.”

The Board of Directors recommends a vote FOR the foregoing resolution.

IF YOU HAVE ALREADY VOTED, YOUR VOTES WILL BE COUNTED WITH RESPECT TO THE ELECTION OF DIRECTORS IN PROPOSAL 1, AND PROPOSALS 2 AND 3. HOWEVER, WE URGE YOU TO CAST YOUR VOTE ON ALL FOUR PROPOSALS USING THE REVISED PROXY CARD EVEN IF YOU HAVE PREVIOUSLY CAST YOUR VOTE ON PROPOSALS 1, 2 AND 3 AS DESCRIBED IN OUR PROXY STATEMENT DATED JULY 4, 2019.

10.1 Early repayment of principal and interest of the Series C Debentures

On the Closing Date, BComm will make the following payments only to those who were registered on the Closing Date as holders of the Series C Debentures, and for the removal of doubt, except in respect of the debentures that will be issued on the Closing Date to the controlling shareholder in the Company, Internet Gold:

(a) Payment on account of the interest on the Series C Debentures which has accrued up to the Closing Date and has not yet been paid (at an interest rate of 3.85%, without any additional interest and/or arrearage interest and/or penalties and/or other payments);³

³ It is clarified that in accordance with the provisions of the original deed of trust, the interest rate commencing July 4, 2019 is 4.85% (the “Interest Increase”) but if the Settlement is completed, the rate of the interest accrued by the Closing Date and not yet paid will remain at 3.85%.

- (b) BComm will make early repayment of NIS 614 million par value principal of the Series C Debentures in respect of principal payments scheduled to be made in the years 2020-2022 and in respect of partial repayment (65%) of the interest payment in 2023. The balance of the payment of the principal for 2023 will be replaced by Series D Debentures, which will be issued to the existing debenture holders on the Closing Date, as described in section 11 below.

10.2 **The new loan schedule of the Series C Debentures after the Closing Date**

The Series C Debentures will fall due (principal) in one payment (100%), to be paid on November 30, 2024.

Commencing on the Closing Date (if it takes place), the interest on the unrepaid balance, as may be from time to time, of the principal of the Series C Debentures will be paid commencing November 2019,⁴ and twice a year on May 31 and November 30 of each of the years 2020 to 2024.

The final principal and interest payments will be made on November 30, 2024.

10.3 **Interest**

The Series C Debentures will bear annual shekel interest of 3.85%.

10.5 **Raising financial debt and senior debt**

BComm may not assume additional financial debt other than in one of the following cases: (a) the entire net debt consideration (less the expenses involved in raising the additional financial debt) is used for repayment of BComm's debts in respect of the Series C and D Debentures (and in such a case BComm's debt to the Series D Debentures will be repaid first, and the balance remaining, if any, after repayment of BComm's entire debt to the Series D Debentures will be used for repayment of BComm's debt to the Series C Debentures); (b) for generating liquidity for unforeseen operating expense needs of BComm (and it is clarified that this sum shall not be used for making a distribution to BComm's shareholders) (the "Additional Debt"), provided that the amount of the Additional Debt does not exceed the lower of (a) NIS 100 million (one hundred million shekels) and (b) 1.3% of the Value of Bezeq Shares as defined above.

⁴ The first interest payment on November 30 2019 will be made in respect of the period starting on the first trading day after the Closing Date and ending on that payment date, and will be calculated according to the number of days in that period and on the basis of 365 days in a year at the annual interest noted in section 10.3 below.

BComm will act to raise the Additional Debt by issuing Series E Debentures of BComm, which will be offered to the holders of Series C Debentures of BComm only (including after the series expansion for Internet Gold as described in section 7.3 above). If BComm does not receive orders for the entire amount of the Additional Debt from the issuance of the Series E Debentures, the issuance will be cancelled and BComm may implement a series expansion of Series C Debentures by means of a private placement to classified investors.

If BComm approached fifteen classified investors and did not receive orders for the entire amount of the Additional Debt from the aforementioned private placement, the series expansion of Series C Debentures will be cancelled and BComm may raise debt from time to time in an amount that does not exceed the amount of the Additional Debt from one or more third parties, including by means of issuing a new series of debentures on terms and at an interest rate at BComm's discretion and subject to provisions relating to creation of a senior lien as set forth in the amended Series C deed of trust and in section 10.5.

10.6 **Amendment of the financial criteria and causes for immediate repayment**

- (a) The financial criterion concerning the ratio of separate equity to total separate balance sheet, as in the Series C deed of trust, is voided on the Closing Date. Commencing 24 months after the Closing Date, a criterion relating to the LTV Ratio will come into force, whereby the LTV Ratio shall not exceed, during two consecutive quarters – (1) 80% by November 30, 2023, and (2) 75% commencing December 1, 2023 and to the date of full and final repayment of the Series C Debentures (the "LTV Ratio").
- (b) In addition, immediate repayment events relating to compliance with equity of NIS 650 million, termination or lowering of the rating of the debentures – have been deleted, and cause of immediate repayment in respect of registration of a going concern has been suspended for a period of 24 months from the Closing Date. Other immediate repayment events have been added, relating to breach of BComm's duties in the amended Series C deed of trust with regard to BComm's compliance with the LTV Ratio and assuming financial debt.

11. **Issuance of Series D**

- 11.1 On the Closing Date, BComm will allot Series D Debentures to whoever were registered as holders of Series C Debentures on the date of record for the Closing Date, and at the same time it will delete the same amount of NIS 58 million par value from the principal of the Series C Debentures.
- 11.2 The Series D Debentures will be issued on terms that are mostly similar to the terms of the Series C Debentures, except for: **(a)** BComm's obligation for **full** early repayment if dividends are received from Bezeq in which 90% of the amount will suffice to cover the entire principal of the Series D Debentures; **(b)** if BComm issues new series of debentures or BComm sells any of its assets (including the encumbered shares), the proceeds of an issuance or the sale, as the case may be, shall be used first and foremost for early repayment of the Series D Debentures; and **(c)** no series expansion is permitted for the Series D Debentures.

12. **Issuance of Series E**

- 12.1 BComm will act to raise the Additional Debt first by way of an issuance of Series E Debentures of BComm as described in section 10.5 above.
- 12.2 The Series E Debentures will be issued on terms mostly similar to the terms of the Series C Debentures except for: **(a)** the date of the first interest payment, which will be on May 20, 2020; and **(b)** no series expansion is permitted for the Series E Debentures.
- 12.3 If BComm issues new series of debentures or BComm sells any of its assets (including the Pledged Bezeq Shares), the proceeds of an issuance or the sale, as the case may be, shall be used first for early repayment of the Series D Debentures. The proceeds remaining after full repayment of the Series D Debentures will be used for full repayment of the Series C Debentures, and the proceeds then remaining, if any, will be used for early repayment (full or partial) of the Series E Debentures. In the event of a sale of the Pledged Bezeq Shares, the balance of the sale will be used first and foremost for the early repayment of the Series E Debentures in full.
- 12.4 The Series E Debentures will be secured by a first and senior lien on the Pledged Bezeq Shares and the pledged shares account, and accordingly, the liens securing the Series C and D Debentures will become second and junior liens.

13. **Lien on Bezeq shares**

- 13.1 The Purchasers, BComm and Internet Gold, undertake to take all necessary actions and use reasonable commercial means in good faith, to obtain the approval of the Ministry of Communications and any other approval that may be required under the Bezeq license (the "Approvals"), for imposition of a first lien on the Bezeq shares as described below. It is clarified that non-receipt of approval for the lien does not constitute a breach of the Settlement Documents and/or cause for cancellation of the Settlement.
- 13.2 On the Closing Date, and subject to receipt of the Approvals, first liens will be provided for the Series C Debenture holders and for the Series D Debenture holders, pro rata, on all the Bezeq shares held directly or indirectly by BComm on the Closing Date (the "Pledged Bezeq Shares"), as well as on the rights in the Bezeq accounts through which the shares are held (the "Pledged Assets").

- 13.3 Grant of the liens is subject to receipt of the approval of the Ministry of Communications for providing the liens, and any other approval that may be required under the Bezeq license and in accordance with the Restrictions on the Liens and their Exercise (as defined below).
- 13.4 Until creation of the liens as described above, BComm has undertaken a negative pledge on all the Bezeq shares held by BComm and by SP2.
- 13.5 Creation and exercise of the liens is subject to the restrictions laid down in law concerning exercise of the liens, including restrictions laid down in the Communications Law and in the Communications (Telecommunications and Broadcasts) (Determination of an Essential Service Provided by Bezeq, BComm Israel Communications Ltd.) Order, 1997 (the "Communications Order"); restrictions set forth in the control permit and approval of the lien, including receipt of prior written approval of the entities named in the lien approval, for any transfer of means of control, as required under the Communications Law and the Communications Order; and restrictions set in the Bezeq license and in the additional licenses,⁵ including receipt of the prior written approval of the Minister for Communications or of the head of the Civil Administration in the Administered Territories (as the case may be), insofar as such approval may be required and as set forth in the additional licenses (the "Restrictions on the Liens and their Exercise").
- 13.6 Until the date of exercise of the Pledged Assets, BComm and SP2 may vote by virtue of the Pledges Bezeq Shares (and the bonus shares) at Bezeq meetings on any subject whatsoever, at their exclusive discretion.
- 13.7 The liens in favor of the debenture holders are subject to an option to create a senior lien, in a case where BComm raises the Additional Debt, all in accordance with the provisions set forth in the deeds of trust and as described in section 10.5 above. In such case, the liens referred to above will become second liens until repayment of the Additional Debt.
- 13.8 Any sum received in respect of exercise of the liens will be divided among the holders of the Series C and D Debentures, pro rata among them on account of the balance of BComm's debt to them.
- 13.9 If on the date of exercise of the Restricted Assets the Additional Debt exists and in respect thereof liens that are senior to the existing liens are provided for the Series C and D Debenture holders, the proceeds from such exercise will be used first for early redemption, full or partial, of the Additional Debt, and the balance remaining from the proceeds of the exercise will be used for early redemption, full or partial, of the Series C Debentures and the Series D Debentures, pro rata among them.

⁵ This means licenses that were or will be granted by the Ministry of Communications or the Civil Administration in the Administered Territories, to Bezeq and the companies it holds, except for the General License for the provision of domestic fixed-line telecommunications services that was granted to Bezeq.

14. In the event of sale of the Pledged Bezeq Shares, BComm will use the entire proceeds it receives from the sale of the sold asset, after taxes, expenses and deductions involved in such sale of the shares, for early redemption, full or partial, of the Series D Debentures in accordance with their terms, and the balance remaining, if any, will be used for early redemption, full or partial, of the Series C Debentures.
15. If on the date of sale of the Pledged Bezeq Shares the Additional Debt (as defined in section 10.5 above) exists, the proceeds from the sale in respect of sale of the Pledged Bezeq Shares will be used first for repayment of the Additional Debt in full, and thereafter, first for repayment of BComm's debt in respect of the Series D Debentures and the balance remaining, if any, for early redemption, full or partial, of the Series C Debentures.

16. **Sale of the Pledged Bezeq Shares**

- 16.1 BComm may sell Pledged Bezeq Shares only if on the date of the sale there is no cause for the Series C Debentures or the Series D Debentures or the Additional Debt, if it exists, being called for immediate repayment and also, after such sale BComm is in compliance with the LTV Ratio required in the deed of trust, if required, or alternatively, in the event of the sale of all the Restricted Bezeq Shares, the proceeds of the sale plus BComm's Available Cash are equal at least to the sum required for full repayment of BComm's debt in respect of the Additional Debt, if it exists, in respect of the Series D Debentures and in respect of the Series C Debentures in accordance with the provisions of the deeds of trust.
- 16.2 The proceeds from such sale of shares will be used first for early redemption, full or partial, of the Series D Debentures in accordance with their terms, and the balance remaining, if any after full repayment of BComm's debt in respect of the Series D Debentures, will be used for early redemption, full or partial, of the Series C Debentures.
- 16.3 Notwithstanding the foregoing in this section 16, in the event of sale of the Pledged Bezeq Shares, if Additional Debt exists on the Closing Date, the proceeds of the sale in respect of sale of the Pledged Bezeq Shares will be used first for repayment of the Additional Debt in full and thereafter, for early repayment in accordance with their terms of BComm's debt in respect of the Series D Debentures and after full repayment, for early redemption, full or partial, of the Series C Debentures as aforesaid.

Such Commitment Letter (i) is in full force and effect, (ii) constitutes the legal, valid and binding obligation of such Purchaser and the Sponsor party thereto, and (iii) is enforceable by the Seller and the Company against such Purchaser and the Sponsor party thereto, in accordance with its terms, subject to bankruptcy, insolvency, reorganization and other Legal Requirements of general applicability relating to or affecting creditors' rights and to general equity principles. 4.9 Waiver and Exemption. Such Purchaser does not object to any waiver or exemption being granted to the Relevant Parties in connection with the Court Approval.

4.10 No Other Representations or Warranties.

(a) Such Purchaser acknowledges and agrees that, except for the representations and warranties contained in Section 3 above and without limiting fraud claims, the transactions contemplated hereby or in any other Transaction Document shall be consummated without reliance

by such Purchaser on any other representations and warranties by the Seller or the Company with respect to the Purchased Shares or the Subscribed Shares, the Company, and its businesses, operations, rights, assets, liabilities or prospects, the condition or legal status of any of the above or otherwise.

(b) Subject to and without limiting any of the representations and warranties of the Seller or the Company set forth in Section 3.1(g)(i) or Section 3.2(g), such Purchaser acknowledges and agrees that such Purchaser has not relied on, and the Seller and Company do not make nor has any of them made, any representation or warranty, either express or implied, whether written or oral, concerning Bezeq or any of its subsidiaries or any of their respective businesses, operations, assets, liabilities, Proceedings (including by regulatory authorities and other Governmental Bodies in Israel or outside Israel), results of operations, condition (financial or otherwise) or prospects.

4.12 Forward-looking Statements. In connection with the due diligence investigation of the Company and Bezeq by such Purchaser, such Purchaser has received and may continue to receive after the date hereof from the Seller and the Company certain estimates, projections, forecasts and other forward-looking information, as well as certain business plan information, regarding the Company and Bezeq and their respective Affiliates and subsidiaries and their respective business and operations. Such Purchaser hereby acknowledges and agrees (a) that there are uncertainties inherent in attempting to make such estimates, projections, forecasts and other forward-looking statements, as well as business plans, (b) to take full responsibility for making its own evaluation of the adequacy and accuracy of all such estimates, projections, forecasts and other forward-looking statements, as well as such business plans, so furnished to it (including the reasonableness of the assumptions underlying such estimates, projections, forecasts, forward-looking statements or business plans), and (c) that none of the Company, Bezeq or the Seller, has made or is making any express or implied representation or warranty with respect to such estimates, projections, forecasts, forward-looking statements or business plans (including the reasonableness of the assumptions underlying such estimates, projections, forecasts, forward-looking statements or business plans).

5. COVENANTS

5.1 Control Permit; Filings; Cooperation.

(a) As soon as practicable following the date of this Agreement (and in any event no later than ten (10) Business Days following the date of this Agreement), the Purchasers shall file an application to the Israeli Ministry of Communication for the purpose of obtaining the Control Permit in accordance with the applicable Legal Requirements. Each Party shall take all necessary actions and use its reasonable best efforts in good faith, to file, without any undue delay, all notices, reports and other documents required to be filed by such Party with any Governmental Body in order to obtain the Control Permit and the Antitrust Clearance with respect to the transactions contemplated by this Agreement, to submit, without any undue delay, any additional information requested by any such Governmental Body to effect all applications, notices, petitions and filings and to obtain as promptly as possible the Control Permit and the Antitrust Clearance. Without limiting the generality of the foregoing, each of the Seller and the Company shall, subject to applicable Legal Requirements, use its reasonable best efforts in good faith to cause Bezeq and its subsidiaries to cooperate with each Party's efforts to obtain the Control Permit, including to promptly answer any questions or inquiries of, and promptly submit any information requested by, any Governmental Body with respect to the transactions contemplated by this Agreement or the Control Permit to be issued to the Purchasers.

(b) Without derogating from the above, each Party hereby agrees (as applicable) (i) to provide any Governmental Body with any and all information regarding the corporate and holding structure of such Party, the ultimate shareholders of such Party and the various holdings, business affairs and interests of such Party and any affiliate thereof throughout the world as may reasonably be requested by such Governmental Body in connection with the Control Permit, (ii) to waive any confidentiality or other restriction (other than attorney-client or similar privilege) in connection with any examination or investigation by a Governmental Body concerning such Party and any 'Interested Party' (as such term is defined in the Communications Law) thereof as may reasonably be requested by such Governmental Body in connection with the Control Permit, (iii) to reasonably cooperate with the other Parties and allow a counsel of the other Parties to participate in any material meeting with a Governmental Body with respect of the request to obtain a Control Permit to the extent permitted by the applicable Governmental Body, (iv) to allow review and comment and shall consult in good faith with the other Parties on all material filings submitted to a Governmental Body in connection with the request to obtain the Control Permit prior to the submission thereof, provided that such Party may redact competitively sensitive or confidential information from the materials provided to the other Parties for review, (v) to provide the other Parties with a copy of any letters and/or other material correspondence with any Governmental Body in connection with the Control Permit, provided that such Party may redact competitively sensitive or confidential information from the materials provided to the other Parties for review, and (vi) to keep the other Parties reasonably updated, on a timely basis, of the status of matters relating to the discussions with the Governmental Bodies, including, if reasonably requested by the other Parties, on weekly basis, a telephonic update on the status and progress of obtainment of the Control Permit. For the avoidance of doubt, nothing in this Section 5.1 shall in any way limit or restrict the rights of the Parties pursuant to Section 8.1(d).

(c) Subject to and without limiting Section 5.1(f), (A) each Purchaser undertakes not to, and further undertakes to use its commercially reasonable efforts to cause any of its 'Interested Parties' (as such term is defined in the Communications Law) (including the Sponsors) not to, engage in or take any action that would reasonably expected to prevent it from complying with the Legal Requirements pertaining to the obtaining of the Control Permit, and to cause any of

its 'Interested Parties' not to engage in any transactions, or otherwise have any trade, commercial, financial or other relationships with (i) any Person organized, domiciled, managing business, or located in, or that is a national of any Enemy State, (ii) a Governmental Body of or within an Enemy State, or (iii) a Person that is supervised by an Enemy State; (B) each Purchaser shall be willing to accept, and shall not assert that it will refuse to accept, for any reason, a Control Permit on substantially the same terms as the Current Control Permit; and (C) shall not condition the acceptance of a Control Permit on terms which are not included in the Current Control Permit or which are more favorable to such Purchaser than those contained in the Current Control Permit.

(d) Each of the Parties hereto shall, as promptly as practicable and before the expiration of any relevant legal deadline, file with any other Governmental Body, any filings, reports, information and documentation required for the transactions contemplated hereby pursuant to the Antitrust Law. Each of the Parties shall furnish to each other's counsel such necessary information and reasonable assistance as the other may request in connection with its preparation of any filing or submission that is necessary under the Antitrust Law, provided that a Party may redact competitively sensitive or confidential information from the materials provided to the other Party for review. Each of the Parties commits to instruct its counsel to cooperate with each other Party and its counsel and use reasonable best efforts to facilitate and expedite the identification and resolution of any such issues and, consequently, the expiration of the applicable waiting periods under the Antitrust Law at the earliest practicable dates.

(e) Each of the Parties shall keep the other Parties reasonably apprised, in a timely manner, to the best of its Knowledge, with respect to any discussions between the Purchasers, the Seller, the Company or Bezeq and its subsidiaries, on the one hand, and any Employee Body, on the other hand. Without limiting the generality of the foregoing, each of the Parties shall notify the other Parties in writing of any material development in the negotiation with any Employee Body of Bezeq and its subsidiaries, promptly upon obtaining knowledge thereof.

(f) Notwithstanding anything in this Agreement to the contrary, nothing in this Agreement shall be deemed to require the Purchasers to agree to any condition, or take any action, that constitutes a Burdensome Condition, and neither the Seller nor the BComm Companies shall, without the prior written consent of the Purchaser A, agree to any Burdensome Condition. For purposes of this Agreement, a "Burdensome Condition" means any conditions imposed by, commitment or undertaking made to, or any Order of, any Governmental Body in connection with or related to the Control Permit or the transactions contemplated by this Agreement, that (i) individually or in the aggregate, has, or would reasonably be expected to have, a material and adverse effect on either Purchaser, after giving effect to the transactions contemplated by this Agreement, (ii) would impose, grant or otherwise require that either Sponsor, with respect to the investment contemplated by this Agreement, exercises or possesses any rights or powers to direct or influence (or other means of control) that are, individually or in the aggregate, greater than, or otherwise disproportionate to, such Sponsor's Pro Rata Share, or (iii) would bind or impose any obligation on any of the SCP Entities or the Local Sponsor and its Affiliates (other than the Purchasers) or their respective businesses (other than solely with respect to the SCP Entities operation and business in the State of Israel); provided that conditions that are expressly included in the Current Control Permit, the Communication Law and the Communication Order, in each case, as each of them is in effect as of the date of this Agreement (expressly disregarding any subsequent amendments, supplements, changes or other modifications, however effected or enacted), shall not be deemed Burdensome Conditions.

(g) Each Party shall take all reasonable and necessary actions and use its commercially reasonable efforts in good faith, to file, without any undue delay all notices, reports

and other documents required to be filed by such Party with any Governmental Body in order to allow the pledge of the Bezeq Shares for the benefit of the Company's bondholders pursuant and subject to Company Debt Modifications (the "Share Pledge"). Such efforts shall require the Purchasers to (i) file, following the date of this Agreement (without undue delays), a formal request with the Israeli Ministry of Communication to authorize the Share Pledge (and to timely respond to subsequent requests for information by the Israeli Ministry of Communication in connection therewith), and (ii) coordinate with the Company and representatives of its bondholders in respect of matters related to the Share Pledge. For the avoidance of doubt, nothing in this Section 5.1(g) shall in any way limit or restrict the rights of any Party pursuant to Section 8.1(d). For the avoidance of doubt, in any event, the Company Series C Debentures and the Series D Debentures shall include negative pledge covenants, in accordance with the terms thereof and the Company Debt Modifications.

(c) Until the end of the Interim Period, without the prior written consent of Purchaser A (such consent not to be unreasonably withheld) (i) the Seller shall not, directly or indirectly, sell, transfer, convey, exchange, assign, gift, Encumber, or otherwise dispose of any of the Purchased Shares or any rights therein or thereto, (ii) the Company shall not, directly or indirectly, sell, transfer, convey, exchange, assign, gift, Encumber, or otherwise dispose of any of the Company Owned Securities or any rights therein or thereto, (iii) the Company shall cause SP1 not to (and the Company shall be responsible if SP1 does), directly or indirectly, sell, transfer, convey, exchange, assign, gift, Encumber, or otherwise dispose of any of the SP2 Securities or the SP1 Bezeq Shares, and (iv) the Company shall cause SP2 not to (and the Company shall be responsible if SP2 does), directly or indirectly, sell, transfer, convey, exchange, assign, gift, Encumber, or otherwise dispose of any of the SP2 Bezeq Shares.

(d) Each Party's right of termination under Section 8.1 is in addition to the specific performance rights as set forth in Section 9.13.

(e) If this Agreement is validly terminated pursuant to Section 8.1, all further obligations of the Parties under this Agreement will terminate and there shall be no liability on the part of any Party, except that (i) the provisions of Section 8.2 and Section 9 hereof (to the extent applicable) shall survive the termination of this Agreement, and (ii) subject to and without limiting Section 8.2(b), nothing herein shall relieve or release any Party from any liability to the other Party for any breach of any of its representations, warranties, covenants or agreements set forth in this Agreement or for fraud, in each case, occurring prior to such termination.

(f) For the avoidance of doubt: (i) neither the Seller or the Company nor any of their Affiliates or Representatives is making any representations or warranties with respect to, and does not guarantee that, and nothing herein shall be construed or interpreted as (or deemed) a representation or warranty with respect to, or a guarantee that, the Court Approval will be obtained or that the Agreement will be approved by the Seller's or the Company's bondholders or shareholders and any deemed representations, warranties or other promises or commitments to the contrary are hereby expressly disclaimed; and (ii) without derogating from the obligations of the Seller or the Company hereunder, the occurrence of a Material Adverse Effect in and of itself shall not entitle the Purchasers to any remedy other than not to consummate transactions contemplated hereby; provided that nothing in this clause (ii) shall relieve or release any Party from any breach or noncompliance with any of its obligations under this Agreement.

9. MISCELLANEOUS

9.1 Expenses; Taxes. Each Party will bear its own expenses incurred in connection with the preparation, execution, and performance of this Agreement and the transactions contemplated hereunder, including all court proceedings, fees and expenses of agents, representatives, counsel, and accountants, and applicable value added tax. Except as expressly provided in this Agreement, all transfer, documentary, sales, use, stamp, registration and other such taxes and mandatory payments imposed by any Governmental Body, and all fees and charges (including any penalties and interest) incurred in connection with the consummation of the transactions contemplated hereunder shall be borne by each respective Party to the extent such Party is liable for such taxes, fees and charges, in accordance with applicable Legal Requirement.

9.2 Further Assurances. Each of the Parties shall perform such further acts and execute such further documents as may reasonably be necessary to carry out and give full effect to the provisions of this Agreement and the intentions of the Parties as reflected thereby.

9.3 Survival; Limitation on Liability; Indemnification.

(a) Survival. The representations and warranties contained in this Agreement or in any certificates delivered pursuant to this Agreement shall survive the Closing for a period of four (4) months following the Closing. Each covenant and agreement of the Parties contained in this Agreement shall survive the Closing in accordance with its terms. Notwithstanding the foregoing, any breach of representation, warranty, covenant or agreement in respect of which indemnity may be sought under this Agreement shall survive the time at which it would otherwise terminate pursuant to the foregoing, if written notice with respect thereto has been given by Purchaser A to the Seller or the Company, as applicable, prior to such time.

(b) Indemnification. Subject to the limitations set forth in this Section 9.3, from and after the Closing, the Seller shall indemnify the Purchasers and their Affiliates and their

respective Representatives, successors and assigns against, and shall defend and hold each of them harmless from, any and all liabilities, losses, damages, fines, penalties, deficiencies, taxes, judgments, interest, awards, and other costs and expenses of whatever kind, including reasonable attorneys' and accountants' fees ("Losses"), to the extent arising out of, relating to or resulting from (i) a breach by the Seller of its representations or warranties set forth in this Agreement or in the certificate delivered thereby pursuant to Section 7.2(a)(iii), or (ii) any breach by the Seller of any covenant or agreement contained in this Agreement required to be performed before, at or after the Closing.

(c) Limitation on Liability. Except in the case of fraud, (i) the Seller's maximum aggregate liability for any and all Losses in connection with, relating to or arising out of this Agreement or the transactions contemplated hereby shall in no event exceed the Seller Liability Cap, (ii) the Company's maximum aggregate liability for any Losses in connection with, relating to or arising out of this Agreement or the transactions contemplated hereby shall in no event exceed the Company Liability Cap, and (iii) each Purchaser's maximum aggregate liability for any Losses in connection with, relating to or arising out of this Agreement or the transactions contemplated hereby shall in no event exceed such Purchaser's Pro Rata Share of the Purchaser Liability Cap.

(d) No Consequential Damages. In no event, whether before or following Closing, shall any of the Parties be responsible for any indirect or punitive damages of the other Parties, including consequential or special damages of any nature whatsoever, the loss of any profits, revenues, opportunities or goodwill, even if the other Party has been advised of the possibility of such damages, except to the extent such damages arise out of fraud. It is clarified, without limiting from anything contained herein or any other rights under applicable Legal Requirements, that payment by a Party to any third party (other than, with respect to the Purchasers only, the Sponsors or any investor therein) pursuant to a judgement of a competent court, shall be considered indirect damages.

(e) It is clarified that any Restricted Matters taken by Bezeq or any subsidiary thereof (without any breach of any of Seller's or the Company's obligations hereunder), shall not, in and of itself, constitute a breach of the Seller's or the Company's representations and warranties hereunder, without limiting, modifying or otherwise affecting Purchaser's rights under Section 6.2 (including Section 6.2(c)).

9.4 Investigations. The representations, warranties, covenants and agreements of the Parties (and the conditions relating thereto) shall not be affected or deemed waived by reason of any investigation made (or not made) by or on behalf of any Party or its Affiliates (or their respective Representatives), or by reason of the fact that a Party or any of its Representatives knew or should have known of any facts or matters, including that any such representation and warranty is or might be inaccurate or untrue, whether prior to the date hereof or the Closing, and including if notwithstanding such knowledge a Party entered into this Agreement or proceeds to Closing. Each of the Parties hereby acknowledges that, regardless of any investigation made (or not made) by or on behalf of any of the other Parties or any of its Affiliates (or their respective Representatives), and regardless of the results of any such investigation, such other Parties have entered into this Agreement (and will effect the Closing) in express reliance upon the representations, warranties covenants and agreements of each Party made herein and the conditions and indemnification obligations relating thereto.

9.5 Assignments, Successors. No Party may assign any of its rights under this Agreement without the prior consent of the other Parties; provided, however, that each Purchaser may assign its rights and obligations hereunder (in whole or in part) to any Affiliate of such

Purchaser without the consent of the Seller or the Company, except that such transfer or assignment will not relieve the assigning Purchaser of any of its obligations hereunder, except to the extent such assignment would have a material and adverse effect on the ability of such Purchaser to obtain the Control Permit in a timely manner. Subject to the preceding sentence, this Agreement will apply to, be binding in all respects upon, and inure to the benefit of the successors and permitted assigns of the Parties.

9.6 No Third-Party Beneficiaries. This Agreement, specifically excluding express provisions contained in the Commitment Letters, shall not, and is not intended to, confer any rights or remedies upon any Person other than the Parties hereto and their respective successors and permitted assigns.

9.7 Notices. All notices, consents, waivers and deliveries under this Agreement must be in writing and will be deemed to have been duly given when (i) delivered by hand (against receipt), (ii) sent by fax or email (with confirmation of receipt) (iii) when received by the addressee, if sent by a nationally recognized overnight delivery service (receipt requested), or (iv) five (5) days after being sent registered or certified mail, return receipt requested, in each case to the appropriate addresses and fax numbers set forth below (or to such other addresses and fax numbers as a Party may hereafter designate by similar notice in accordance with this Section 9.7):

9.8 Governing Law. This agreement shall be governed by, and construed in accordance with, the laws of the State of Israel without giving effect to its conflict of laws principles.

9.9 Jurisdiction. Any Proceeding brought with respect to this Agreement must be brought in any court of competent jurisdiction in Tel Aviv-Jaffa, Israel and, by execution and delivery of this Agreement, each Party (i) accepts, generally and unconditionally, the exclusive jurisdiction of such courts and any related appellate court, and irrevocably agrees to be bound by any judgment rendered thereby in connection with this Agreement and (ii) irrevocably waives any

objection it may now or hereafter have as to the venue of any such suit, action or Proceeding brought in such a court or that such court is an inconvenient forum.

9.10 Amendments and Waivers. Any term of this Agreement may be amended only with the written consent of all Parties. The observance of any term hereof may be waived (either prospectively or retroactively and either generally or in a particular instance) only with the written consent of the waiving Party(ies).

9.11 Delays or Omissions. No delay or omission to exercise any right, power, or remedy accruing to any of the Parties upon any breach or default by the other Party or Parties under this Agreement shall impair any such right or remedy nor shall it be construed to be a waiver of any such breach or default, or any acquiescence therein in any similar breach or default thereafter occurring.

9.12 Entire Agreement. This Agreement (together with the other Transaction Documents) supersedes all prior agreements among the Parties with respect to its subject matter and constitutes a complete and exclusive statement of the terms of the agreement between the Parties with respect to its subject matter, except for the Non-Disclosure Agreement, dated as of October 21, 2018, by and between the Seller and Searchlight Capital Partners L.P. The exhibits and schedules identified in and attached to this Agreement are incorporated herein by reference and shall be deemed as a part hereof as if set forth herein in full.

9.13 Severability. If any provision of this Agreement is held by a court of competent jurisdiction to be invalid, illegal or unenforceable under applicable law, then such provision shall be excluded from this Agreement and the validity, legality and enforceability of the remainder of this Agreement and the remaining provisions shall not in any way be affected or impaired thereby (unless the exclusion of such provision materially undermines the purpose and intent of the Parties, in which case this Agreement shall be null and void); provided, however, that in such event, this Agreement shall be interpreted so as to give effect, to the greatest extent consistent with and permitted by applicable Legal Requirements, to the meaning and intention of the excluded provision as determined by such court of competent jurisdiction.

9.14 Enforcement. Each Party agrees that the other Parties shall have the right to enforce its rights and the obligations hereunder by an action or actions for specific performance, injunctive or other equitable relief.

9.15 Headings; Construction.

(a) The captions, titles and headings used in this Agreement are for convenience of reference only, shall not be deemed part of this Agreement and shall not affect its construction or interpretation. Except where otherwise expressly provided: (i) all references to “Sections”, “Exhibits” or “Schedules” refer to the corresponding Sections, Exhibits or Schedules of or to this Agreement; (ii) all words used in this Agreement will be construed to be of such gender or number as the circumstances require; (iii) the words “include”, “includes” and “including” do not limit the preceding words or terms and shall be deemed followed by the phrase “without limitation” whether or not so specified; (iv) the words “hereof,” “herein,” and “hereunder” and words of similar import, when used in this Agreement, shall refer to this Agreement as a whole and not to any particular provision of this Agreement; (v) terms defined in the singular have a comparable meaning when used in the plural, and *vice versa*; (vi) references to “NIS” and “New Israeli Shekels” are to the currency of the State of Israel; (vii) the term “or” is not exclusive and has the meaning represented by the phrase “and/or” whether or not specified; (viii) the phrase “to the extent” means the degree to which a subject or other theory extends and such phrase shall not mean “if”; (ix) whenever this Agreement refers to a number of days, such number shall refer to calendar days unless Business

Days are specified; (x) any reference in this agreement to “a day” or “days” shall mean calendar days, unless otherwise expressly specified; and (xi) all references herein to the subsidiaries of a Person shall be deemed to include all direct and indirect subsidiaries of such Person unless otherwise indicated or the context otherwise requires. If any action is to be taken or given on or by a particular calendar day, and such calendar day is not a Business Day, then such action may be deferred until the next Business Day.

(b) The Parties have participated jointly in the drafting of this Agreement and the other Transaction Documents, and each party was represented by counsel in the negotiation and execution of the Transaction Documents. The language used in this Agreement shall be deemed to be the language the Parties have chosen to express their mutual intent. In the event an ambiguity or question of intent or interpretation arises, the Transaction Documents shall be construed as if drafted jointly by the Parties and no presumption or burden of proof shall arise favoring or disfavoring any Party by virtue of the authorship of any of the provisions of the Transaction Documents, and no rule of strict construction will be applied against any Party.

9.16 Counterparts. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original and all of which, taken together, shall constitute one and the same instrument.

9.17 Several and not Joint Liability. For the removal of doubt, each Purchaser hereby acknowledges and agrees that any and all of the representations, warranties and covenants of the Seller or the Company are made severally and not jointly, and, without limiting any express representations made by a Party in this Agreement, in no event shall any of the Company or the Seller be responsible or liable in any way for any breach of the representations, warranties and covenants of the other Party.

9.18 Non-Parties. This Agreement may only be enforced against, and any claim or cause of action based upon, arising out of, or related to this Agreement or the transactions contemplated hereby may only be brought against, the Persons that are expressly named as parties hereto and then only with respect to, and to the extent of, the specific obligations set forth herein with respect to such party. Without limiting the generality of the foregoing, and notwithstanding anything that may be expressed or implied in this Agreement or any other Transaction Document or the Commitment Letters, and notwithstanding the fact that a Purchaser may be limited liability company, by entering into this Agreement, each of Parties acknowledges and agrees that: (a) no Person other than a Purchaser, the Company and the Seller shall have any obligations or liabilities under or in connection with this Agreement, and (b) no liability shall attach to, and no recourse shall be had by a Purchaser, the Company or the Seller, or any of their respective Affiliates or any Person purporting to claim by or through any of them or for the benefit of any of them under any theory of liability (including by attempting to pierce a corporate, limited liability company or partnership veil, by attempting to enforce any assessment, or by attempting to enforce any purported right at law or in equity, whether sounding in contract, tort, statute or otherwise) against, any Non-Recourse Party (as defined below) in any way under or in connection with this Agreement, the other Transaction Documents, the Commitment Letters or any other agreement or instrument delivered in connection with this Agreement or the Commitment Letters, or the transactions contemplated hereby or thereby (whether at law or in equity, whether sounding in contract, tort, statute or otherwise), including in the event a Purchaser breaches its obligations under this Agreement (whether willfully, intentionally, unintentionally or otherwise); except that: (i) the Seller or the Company may assert claims solely against the Purchasers, to cause the Purchasers to seek specific performance of each Sponsor’s obligations under the Commitment Letters (in accordance with its terms and subject to its conditions), (ii) the Seller or the Company may assert claims solely against the Sponsors, under

and subject to the terms and conditions of the Commitment Letters, and (iii) each of the Seller, the Company and the Purchasers may assert claims solely against the other Party, solely under, in accordance with and subject to the terms and conditions of this Agreement and the other Transaction Documents. As used herein, “Non-Recourse Parties” means, collectively, (1) each Party’s direct or indirect former, current or future equity holders, stockholders, members, officers, directors, employees, investment professionals, managers, management companies, general or limited partners, co-investors, controlling persons, advisors, agents, representatives, affiliates, creditors (including their trustees, representatives, advisors and attorneys), assignees or successors, (2) any and all direct or indirect former, current or future equity holders, stockholders, members, officers, directors, employees, investment professionals, managers, management companies, general or limited partners, co-investors, controlling persons, advisors, agents, representatives, affiliates, assignees or successors of any of the foregoing, (3) to the extent not already included in clauses (1) or (2) of this definition of Non-Recourse Parties, Searchlight Capital Partners, L.P., a Delaware limited partnership and any of its affiliates or any direct or indirect former, current or future equity holders, stockholders, members, officers, directors, employees, investment professionals, managers, management companies, general or limited partners, co-investors, controlling persons, advisors, agents, representatives, affiliates, assignees or successors of any of the foregoing, (4) to the extent not already included in clauses (1), (2) or (3) of this definition of Non-Recourse Parties, Local Sponsor and any of its affiliates or any direct or indirect former, current or future equity holders, stockholders, members, officers, directors, employees, investment professionals, managers, management companies, general or limited partners, co-investors, controlling persons, advisors, agents, representatives, affiliates, assignees or successors of any of the foregoing, (5) any and all former, current or future estates, heirs, executors, administrators, trustees, successors or assigns of any of the foregoing, and (6) any financial institution or other Person (other than the Sponsors pursuant to the foregoing clause (i)) which provided, provides or is committed to or will provide financing in connection with the transactions contemplated by this Agreement or the other Transaction Documents.

Re: Financing Commitment Letter

Ladies and Gentlemen:

Reference is made to that certain Share Purchase Agreement, dated as of even date herewith (the "Purchase Agreement"), by and among Searchlight II BZQ, L.P., a Cayman Islands exempt limited partnership ("Purchaser A"), T.N.R. Investments Ltd., an Israeli company, Internet Gold - Golden Lines Ltd. (the "Seller") and B Communications Ltd. (the "Company"). Capitalized terms used but not otherwise defined herein shall have the meanings ascribed to them in the Purchase Agreement.

This letter agreement is being delivered to Purchaser A in connection with the transactions contemplated by the Purchase Agreement (the "Transactions").

1. Commitment. This letter agreement confirms the commitment of each entity listed on Exhibit A attached hereto (each, an "Investor" and collectively, the "Investors"), severally and not jointly, subject to the terms and conditions set forth herein, to purchase, or to cause the purchase of, directly or indirectly, through one or more intermediate entities, its pro rata percentage (set forth on Exhibit A, and such amount of the Aggregate Commitment (as defined below) with respect to each Investor, such Investor's "Maximum Investor Commitment") of equity and/or debt securities of Purchaser A, such that all such securities purchased by all such Investors shall equal an aggregate amount of Purchaser A's Pro Rata Share of NIS 485,000,000 (the "Aggregate Commitment"), solely to the extent necessary for Purchaser A to fund its payment obligations under Section 7.2(c) and to pay all fees and expenses of Purchaser A related to the Transactions; provided that, notwithstanding anything herein or otherwise to the contrary, no Investor shall, under any circumstances, be obligated to contribute to, purchase securities of, or otherwise provide any funds to, Purchaser A in an amount exceeding the amount of such Investor's Maximum Investor Commitment and the Investors, collectively, shall not, under any circumstances, be obligated to contribute to, purchase securities of, or otherwise provide any funds to, Purchaser A in an amount exceeding the Aggregate

Commitment. This letter agreement constitutes all of the obligations and liabilities of each Investor in relation to such Investor's portion of the Aggregate Commitment and shall not give rise to any other obligations or liabilities on any of the Investors. The proceeds from such purchase of debt and/or equity securities shall be used by Purchaser A solely to pay its obligations under Section 7.2(c) and fees and expenses of Purchaser A related to the Transactions and for no other purpose.

2. Funding; Termination. Each Investor's obligation to fund its Maximum Investor Commitment is subject to the terms of this letter agreement and to (a) the execution and delivery of the Purchase Agreement by all parties thereto as of the date hereof, (b) the satisfaction or written waiver by Purchaser A of each of the conditions set forth in Section 6.1 and Section 6.2 of the Purchase Agreement (other than those conditions which by their nature are to be satisfied at the Closing, but subject to the satisfaction thereof at the Closing), (c) the substantially simultaneous closing of the investment contemplated by the Financing Commitment Letter (substantially on the same terms as this letter agreement (other than NIS amounts stated therein)) delivered by T.N.R. Real Estate Properties Ltd. (the "Co-Sponsor Financing Commitment Letter"), and (d) the substantially simultaneous consummation of the Closing in accordance with the terms of the Purchase Agreement. For the avoidance of doubt, and notwithstanding anything herein or otherwise to the contrary, no Investor shall be obligated to fund any portion of its Maximum Investor Commitment unless the Closing occurs substantially simultaneously with such funding. This letter agreement and the obligation of each Investor to fund its Maximum Investor Commitment will terminate automatically and immediately upon the earliest to occur of (i) the occurrence of Closing and payment of Purchaser A's payments obligations under Section 7.2(c) (at which time all such obligations shall be immediately discharged), (ii) the termination of the Purchase Agreement pursuant to Section 8.1 thereof, (iii) the termination of the Co-Sponsor Financing Commitment Letter, or (iv) Seller, the Company, Purchaser A or any Person claiming by, through or for the benefit of Seller, the Company, or Purchaser A, asserting a claim in any suit, action, litigation, claim, charge, complaint, grievance, arbitration proceeding, at law or in equity, or by, in or before any court, tribunal, commission, agency or other governmental authority, or in any other proceeding against (i) any Investor or any other Recourse Party (as defined below) under or in connection with the Purchase Agreement or any of the transactions contemplated thereby other than Seller or the Company asserting any Retained Claim (as defined below) against the Recourse Parties against which such Retained Claim may be asserted in accordance with Section 3 hereof, or (ii) any Non-Recourse Party (as defined below). Section 3 hereof shall survive any such termination.

3. No Recourse. Notwithstanding anything that may be expressed or implied in this letter agreement or any document or instrument delivered in connection herewith or otherwise, and notwithstanding the fact that the Investors may be limited partnerships or limited liability companies, by its acceptance of the direct or indirect benefits of this letter agreement, each of Purchaser A, the Company and Seller acknowledges and agrees that: (a) no Person other than the Investors and Purchaser A shall have any obligations or liabilities under or in connection with this letter agreement, (b) none of the Investors shall have any obligations or liabilities under or in connection with this letter agreement or the Transactions except as expressly provided by this letter agreement, and (c) no liability shall attach to, and no recourse shall be had by Purchaser A, the Company, Seller or any of their respective affiliates or any Person purporting to claim by or through any of them or for the benefit of any of them under any

theory of liability (including, without limitation, by attempting to pierce a corporate, limited liability company or partnership veil, by attempting to compel Purchaser A to enforce any rights that it may have against any Person, by attempting to enforce any assessment, or by attempting to enforce any purported right at law or in equity, whether sounding in contract, tort, statute or otherwise) against, any Recourse Party or any Non-Recourse Party in any way under or in connection with this letter agreement, the Purchase Agreement or any other agreement or instrument delivered in connection with this letter agreement or the Purchase Agreement, or the transactions contemplated hereby or thereby (whether at law or in equity, whether sounding in contract, tort, statute or otherwise), including, without limitation, in the event Purchaser A breaches its obligations under the Purchase Agreement (whether willfully, intentionally, unintentionally or otherwise) and including whether or not Purchaser A's breach is caused by the breach by any Investor of its obligations under this letter agreement; except that: (i) Seller may assert claims solely against Searchlight Capital Partners, L.P., a Delaware limited partnership ("SCP LP") solely under the Non-Disclosure and Confidentiality Agreement, dated as of October 21, 2018, (ii) Seller or the Company may assert claims solely against Purchaser A, to cause Purchaser A to seek specific performance of each Investor's obligations under this letter agreement to fund its Maximum Investor Commitment in accordance with the terms and subject to the conditions of this letter agreement, (iii) Seller or the Company may assert claims solely against the Investors, under and subject to the terms and conditions of the last sentence of this Section 3 of this letter agreement, and (iv) Seller or the Company may assert claims solely against Purchaser A, in accordance with and subject to the terms and conditions of the Purchase Agreement (the claims described in clauses (i) through (iv) collectively, the "Retained Claims"). As used in this letter agreement, (x) the term "Recourse Parties" means, collectively, Purchaser A, the Investors and the other Persons against which Retained Claims may expressly be asserted pursuant to clauses (i) through (iv) of the definition of Retained Claims set forth above (and solely to the extent of such Retained Claims), and (y) the term "Non-Recourse Parties" means, collectively, (1) the Recourse Parties' respective direct or indirect former, current or future equity holders, stockholders, members, officers, directors, employees, investment professionals, managers, management companies, general or limited partners, co-investors, controlling persons, advisors, agents, representatives, affiliates, assignees or successors, (2) any and all direct or indirect former, current or future equity holders, stockholders, members, officers, directors, employees, investment professionals, managers, management companies, general or limited partners, co-investors, controlling persons, advisors, agents, representatives, affiliates, assignees or successors of any of the foregoing, (3) to the extent not already included in clauses (1) or (2) of this definition of Non-Recourse Parties, SCP LP and any of its affiliates or any direct or indirect former, current or future equity holders, stockholders, members, officers, directors, employees, investment professionals, managers, management companies, general or limited partners, co-investors, controlling persons, advisors, agents, representatives, affiliates, assignees or successors of any of the foregoing, (4) any and all former, current or future estates, heirs, executors, administrators, trustees, successors or assigns of any of the foregoing, and (5) any financial institution or other Person which provided, provides or is committed to or will provide financing in connection with the transactions contemplated by the Purchase Agreement; provided that none of the Recourse Parties (solely with respect to the Retained Claims) shall be Non-Recourse Parties. This letter agreement may only be enforced by (I) Purchaser A at the direction of the Investors, or (II) Seller or the Company, pursuant to Seller's or the Company's right to seek specific performance of Purchaser A's obligation to enforce the Investors' obligation to

fund the Aggregate Commitment in accordance with the terms of this letter agreement, pursuant to, and subject to, and solely in accordance with, Section 9.14 of the Purchase Agreement and the terms and conditions set forth therein.

4. Assignment. This letter agreement and each Investor's commitment hereunder shall not be assignable, directly or indirectly, to any Person without the prior written consent of the Investors, and any attempted assignment without such consent shall be null and void and of no force and effect. Each Investor may assign its commitments hereunder to its affiliates or co-investors or funds or investment vehicles affiliated with such Investor; provided, however, that notwithstanding any such assignment, each Investor shall remain liable to perform all of its obligations hereunder in accordance with and subject to the terms of this letter agreement.

5. Binding Effect. (a) This letter agreement shall be binding on the Investors solely for the benefit of Purchaser A, and nothing in this letter agreement, express or implied, shall be construed to confer upon or give any Person other than Purchaser A any benefits, rights or remedies of any nature whatsoever under or by reason of, or any rights to enforce or cause Purchaser A to enforce, the Aggregate Commitment or any Maximum Investor Commitment or any provision of this letter agreement, (b) nothing set forth in this letter agreement shall be construed to confer upon or give any Person other than Purchaser A any benefits, rights or remedies under or by reason of, or any rights to enforce or cause Purchaser A to enforce, the Aggregate Commitment or any Maximum Investor Commitment or any provisions of this letter agreement; provided, however, that, notwithstanding the foregoing in this Section 5, Seller and the Company have relied on this letter agreement and, accordingly, Seller and the Company are express third-party beneficiaries hereof and shall have the enforcement rights described in the last sentence of Section 3 hereof and no others. Purchaser A's creditors shall have no right to enforce this letter agreement or to cause Purchaser A to enforce this letter agreement.

6. Representations and Warranties. Each Investor hereby represents and warrants, on a several (not joint and several) basis as to itself only, to Purchaser A that, except as would not reasonably be expected to impair or delay such Investor's performance of its Maximum Investor Commitment obligations hereunder in any material respect, (a) it has all power and authority to execute, deliver and perform this letter agreement, (b) the execution, delivery and performance of this letter agreement by it has been duly and validly authorized and approved by all necessary action by it, (c) this letter agreement has been duly and validly executed and delivered by it and constitutes a valid and legally binding obligation of it, enforceable against it in accordance with the terms of this letter agreement, subject to bankruptcy, insolvency, reorganization and other laws of general applicability relating to or affecting creditors' rights and to general equity principles, and (d) the execution, delivery and performance by it of this letter agreement (i) do not violate its organizational documents, (ii) do not violate any law or judgment applicable to it, or (iii) would not result in any violation of, or default (with or without notice or lapse of time, or both) under, or give rise to a right of termination, cancellation or acceleration of any obligation or to the loss of any benefit under, any contract to which it is a party.

7. Miscellaneous.

a. Counterparts. This letter agreement may be executed in multiple counterparts (including by facsimile or by PDF delivered via email), each such counterpart when executed being deemed to be an original instrument, and all such counterparts shall together constitute one and the same agreement. This letter agreement will become effective upon its acceptance by Purchaser A, as evidenced by the delivery to each of the Investors of a counterpart of this letter agreement executed by Purchaser A.

b. Amendments; Waivers. No amendment or waiver of any provision of this letter agreement will be valid and binding unless it is in writing and signed by Purchaser A and each of the Investors.

c. Entire Agreement. This letter agreement constitutes the sole agreement, and supersedes all prior agreements, understandings and statements, written or oral, between the Investors or any of their respective affiliates (other than Purchaser A), on the one hand, and Purchaser A or any of its affiliates (other than the Investors), on the other, with respect to the subject matter hereof.

d. Severability. If any term, condition or other provision of this letter agreement is determined by a court of competent jurisdiction to be invalid, illegal or incapable of being enforced by any rule of law or public policy, all other terms, provisions and conditions of this letter agreement shall nevertheless remain in full force and effect. Upon such determination that any term or other provision hereof is invalid, illegal or incapable of being enforced, (i) a suitable and equitable term or provision determined by a court of competent jurisdiction shall be substituted therefor in order to carry out, so far as may be valid, legal and enforceable under law, the intent and purpose of such invalid, illegal or unenforceable term or provision, and (ii) the remainder of this letter agreement and the application of such terms and other provision to other Persons or circumstances shall not be affected by such invalidity, illegality or unenforceability, nor shall such invalidity, illegality or unenforceability affect the validity, legality or enforceability of such term or provision, or the application of such term or provision, in any other jurisdiction. Notwithstanding anything in this letter agreement or otherwise to the contrary, (I) this letter agreement may not be enforced against any Investor without giving effect to the limitations represented by the Maximum Investor Commitment and the Aggregate Commitment, and (II) for the avoidance of doubt, the obligations under this letter agreement are several (and not joint and several) from the obligations of the parties to the Co-Sponsor Financing Commitment Letter thereunder, and the Investors shall not be liable or otherwise responsible for, directly or indirectly, for any breach of the Co-Sponsor Financing Commitment Letter by the parties thereto.

e. Governing Law; Submission to Jurisdiction. This letter agreement shall be governed by, and construed in accordance with, the laws of the State of Israel without giving effect to its conflict of laws principles. Any Proceeding brought with respect to this letter agreement must be brought in any court of competent jurisdiction in Tel Aviv-Jaffa, Israel and, by execution and

delivery of this letter agreement, each party (i) accepts, generally and unconditionally, the exclusive jurisdiction of such courts and any related appellate court, and irrevocably agrees to be bound by any judgment rendered thereby in connection with this letter agreement and (ii) irrevocably waives any objection it may now or hereafter have as to the venue of any such suit, action or Proceeding brought in such a court or that such court is an inconvenient forum.

Re: Financing Commitment Letter

Ladies and Gentlemen:

Reference is made to that certain Share Purchase Agreement, dated as of even date herewith (the "Purchase Agreement"), by and among Searchlight II BZQ, L.P., a Cayman Islands exempt limited partnership, T.N.R. Investments LTD., a limited liability company organized and existing under the laws of the State of Israel ("Purchaser B"), and Internet Gold - Golden Lines Ltd. (the "Seller") and B Communications Ltd. (the "Company"). Capitalized terms used but not otherwise defined herein shall have the meanings ascribed to them in the Purchase Agreement.

This letter agreement is being delivered to Purchaser B in connection with the transactions contemplated by the Purchase Agreement (the "Transactions").

1. Commitment. This letter agreement confirms the commitment of the entity listed on Exhibit A attached hereto, an entity fully owned by the Fuhrer family (the "Investor"), subject to the terms and conditions set forth herein, to purchase, or to cause the purchase of, directly or indirectly, through one or more intermediate entities, its Aggregate Commitment (as defined below) with respect to the Investor's "Maximum Investor Commitment") of equity and/or debt securities of Purchaser B, such that all such securities purchased by the Investor shall equal an aggregate amount of Purchaser B's Pro Rata Share of NIS 485,000,000 (the "Aggregate Commitment"), solely to the extent necessary for Purchaser B to fund its payment obligations under Section 7.2(c) and to pay all fees and expenses of Purchaser B related to the Transactions; provided that, notwithstanding anything herein or otherwise to the contrary, the Investor shall not, under any circumstances, be obligated to contribute to, purchase securities of, or otherwise provide any funds to, Purchaser B in an amount exceeding the amount of the Investor's Maximum Investor Commitment and the Investor shall not, under any circumstances, be obligated to contribute to, purchase securities of, or otherwise provide any funds to, Purchaser B in an amount exceeding the Aggregate Commitment. This letter agreement constitutes all of the obligations and liabilities of the Investor in relation to the Investor's Aggregate Commitment and shall not give rise to any other obligations or liabilities on the Investor. The proceeds from such purchase of debt and/or

equity securities shall be used by Purchaser B solely to pay its obligations under Section 7.2(c) and fees and expenses of Purchaser B related to the Transactions and for no other purpose.

2. Funding; Termination. The Investor's obligation to fund its Maximum Investor Commitment is subject to the terms of this letter agreement and to (a) the execution and delivery of the Purchase Agreement by all parties thereto as of the date hereof, (b) the satisfaction or written waiver by Purchaser B of each of the conditions set forth in Section 6.1 and Section 6.2 of the Purchase Agreement (other than those conditions which by their nature are to be satisfied at the Closing, but subject to the satisfaction thereof at the Closing), (c) the substantially simultaneous closing of the investment contemplated by the Financing Commitment Letter (substantially on the same terms as this letter agreement (other than NIS amounts stated therein)) delivered by Searchlight Capital Partners, L.P. (the "Co-Sponsor Financing Commitment Letter"), and (d) the substantially simultaneous consummation of the Closing in accordance with the terms of the Purchase Agreement. For the avoidance of doubt, and notwithstanding anything herein or otherwise to the contrary, the Investor shall not be obligated to fund any portion of its Maximum Investor Commitment unless the Closing occurs substantially simultaneously with such funding. This letter agreement and the obligation of the Investor to fund its Maximum Investor Commitment will terminate automatically and immediately upon the earliest to occur of (i) the occurrence of Closing and payment of Purchaser B's payments obligations under Section 7.2(c) (at which time all such obligations shall be immediately discharged), (ii) the termination of the Purchase Agreement pursuant to Section 8.1 thereof, (iii) the termination of the Co-Sponsor Financing Commitment Letter, or (iv) Seller, the Company, Purchaser B or any Person claiming by, through or for the benefit of Seller, the Company, or Purchaser B, asserting a claim in any suit, action, litigation, claim, charge, complaint, grievance, arbitration proceeding, at law or in equity, or by, in or before any court, tribunal, commission, agency or other governmental authority, or in any other proceeding against (i) the Investor or any other Recourse Party (as defined below) under or in connection with the Purchase Agreement or any of the transactions contemplated thereby other than Seller or the Company asserting any Retained Claim (as defined below) against the Recourse Parties against which such Retained Claim may be asserted in accordance with Section 3 hereof, or (ii) any Non-Recourse Party (as defined below). Section 3 hereof shall survive any such termination.

3. No Recourse. Notwithstanding anything that may be expressed or implied in this letter agreement or any document or instrument delivered in connection herewith or otherwise, and notwithstanding the fact that the Investor may be a limited partnership or a limited liability company, by its acceptance of the direct or indirect benefits of this letter agreement, each of Purchaser B, the Company and Seller acknowledges and agrees that: (a) no Person other than the Investor and Purchaser B shall have any obligations or liabilities under or in connection with this letter agreement, (b) the Investor shall not have any obligations or liabilities under or in connection with this letter agreement or the Transactions except as expressly provided by this letter agreement, and (c) no liability shall attach to, and no recourse shall be had by Purchaser B, the Company, Seller or any of their respective affiliates or any Person purporting to claim by or through any of them or for the benefit of any of them under any theory of liability (including, without limitation, by attempting to pierce a corporate, limited liability company or partnership veil, by attempting to compel Purchaser B to enforce any rights that it may have against any Person, by attempting to enforce any assessment, or by attempting to enforce any purported right at law or in equity, whether sounding in contract, tort, statute or otherwise) against, any Recourse Party or

any Non-Recourse Party in any way under or in connection with this letter agreement, the Purchase Agreement or any other agreement or instrument delivered in connection with this letter agreement or the Purchase Agreement, or the transactions contemplated hereby or thereby (whether at law or in equity, whether sounding in contract, tort, statute or otherwise), including, without limitation, in the event Purchaser B breaches its obligations under the Purchase Agreement (whether willfully, intentionally, unintentionally or otherwise) and including whether or not Purchaser B's breach is caused by the breach by the Investor of its obligations under this letter agreement; except that: (i) Seller may assert claims solely against Searchlight Capital Partners, L.P., a Delaware limited partnership ("SCP LP") solely under the Non-Disclosure and Confidentiality Agreement, dated as of October 21, 2018, (ii) Seller or the Company may assert claims solely against Purchaser B, to cause Purchaser B to seek specific performance of the Investor's obligations under this letter agreement to fund its Maximum Investor Commitment in accordance with the terms and subject to the conditions of this letter agreement, (iii) Seller or the Company may assert claims solely against the Investor, under and subject to the terms and conditions of the last sentence of this Section 3 of this letter agreement, and (iv) Seller or the Company may assert claims solely against Purchaser B, in accordance with and subject to the terms and conditions of the Purchase Agreement (the claims described in clauses (i) through (iv) collectively, the "Retained Claims"). As used in this letter agreement, (x) the term "Recourse Parties" means, collectively, Purchaser B, the Investor and the other Persons against which Retained Claims may expressly be asserted pursuant to clauses (i) through (iv) of the definition of Retained Claims set forth above (and solely to the extent of such Retained Claims), and (y) the term "Non-Recourse Parties" means, collectively, (1) the Recourse Parties' respective direct or indirect former, current or future equity holders, stockholders, members, officers, directors, employees, investment professionals, managers, management companies, general or limited partners, co-investors, controlling persons, advisors, agents, representatives, affiliates, assignees or successors, (2) any and all direct or indirect former, current or future equity holders, stockholders, members, officers, directors, employees, investment professionals, managers, management companies, general or limited partners, co-investors, controlling persons, advisors, agents, representatives, affiliates, assignees or successors of any of the foregoing, (3) to the extent not already included in clauses (1) or (2) of this definition of Non-Recourse Parties, SCP LP and any of its affiliates or any direct or indirect former, current or future equity holders, stockholders, members, officers, directors, employees, investment professionals, managers, management companies, general or limited partners, co-investors, controlling persons, advisors, agents, representatives, affiliates, assignees or successors of any of the foregoing, (4) any and all former, current or future estates, heirs, executors, administrators, trustees, successors or assigns of any of the foregoing, and (5) any financial institution or other Person which provided, provides or is committed to or will provide financing in connection with the transactions contemplated by the Purchase Agreement; provided that none of the Recourse Parties (solely with respect to the Retained Claims) shall be Non-Recourse Parties. This letter agreement may only be enforced by (I) Purchaser B at the direction of the Investor, or (II) Seller or the Company, pursuant to Seller's or the Company's right to seek specific performance of Purchaser B's obligation to enforce the Investor's obligation to fund the Aggregate Commitment in accordance with the terms of this letter agreement, pursuant to, and subject to, and solely in accordance with, Section 9.14 of the Purchase Agreement and the terms and conditions set forth therein.

4. Assignment. This letter agreement and the Investor's commitment hereunder shall not be assignable, directly or indirectly, to any Person without the prior written consent of the Investor, and any attempted assignment without such consent shall be null and void

and of no force and effect. The Investor may assign its commitments hereunder to its affiliates or co-investors or funds or investment vehicles affiliated with the Investor; provided, however, that notwithstanding any such assignment, the Investor shall remain liable to perform all of its obligations hereunder in accordance with and subject to the terms of this letter agreement.

5. Binding Effect. (a) This letter agreement shall be binding on the Investor solely for the benefit of Purchaser B, and nothing in this letter agreement, express or implied, shall be construed to confer upon or give any Person other than Purchaser B any benefits, rights or remedies of any nature whatsoever under or by reason of, or any rights to enforce or cause Purchaser B to enforce, the Aggregate Commitment or any Maximum Investor Commitment or any provision of this letter agreement, (b) nothing set forth in this letter agreement shall be construed to confer upon or give any Person other than Purchaser B any benefits, rights or remedies under or by reason of, or any rights to enforce or cause Purchaser B to enforce, the Aggregate Commitment or any Maximum Investor Commitment or any provisions of this letter agreement; provided, however, that, notwithstanding the foregoing in this Section 5, Seller and the Company have relied on this letter agreement and, accordingly, Seller and the Company are express third-party beneficiaries hereof and shall have the enforcement rights described in the last sentence of Section 3 hereof and no others. Purchaser B's creditors shall have no right to enforce this letter agreement or to cause Purchaser B to enforce this letter agreement.

6. Representations and Warranties. The Investor hereby represents and warrants, on a several (not joint and several) basis as to itself only, to Purchaser B that, except as would not reasonably be expected to impair or delay the Investor's performance of its Maximum Investor Commitment obligations hereunder in any material respect, (a) it has all power and authority to execute, deliver and perform this letter agreement, (b) the execution, delivery and performance of this letter agreement by it has been duly and validly authorized and approved by all necessary action by it, (c) this letter agreement has been duly and validly executed and delivered by it and constitutes a valid and legally binding obligation of it, enforceable against it in accordance with the terms of this letter agreement, subject to bankruptcy, insolvency, reorganization and other laws of general applicability relating to or affecting creditors' rights and to general equity principles, and (d) the execution, delivery and performance by it of this letter agreement (i) do not violate its organizational documents, (ii) do not violate any law or judgment applicable to it, or (iii) would not result in any violation of, or default (with or without notice or lapse of time, or both) under, or give rise to a right of termination, cancellation or acceleration of any obligation or to the loss of any benefit under, any contract to which it is a party.

7. Miscellaneous.

a. Counterparts. This letter agreement may be executed in multiple counterparts (including by facsimile or by PDF delivered via email), each such counterpart when executed being deemed to be an original instrument, and all such counterparts shall together constitute one and the same agreement. This letter agreement will become effective upon its acceptance by Purchaser B, as evidenced by the delivery to each of the Investor of a counterpart of this letter agreement executed by Purchaser B.

b. Amendments; Waivers. No amendment or waiver of any provision of this letter agreement will be valid and binding unless it is in writing and signed by Purchaser B and the Investor.

c. Entire Agreement. This letter agreement constitutes the sole agreement, and supersedes all prior agreements, understandings and statements, written or oral, between the Investor or any of their respective affiliates (other than Purchaser B), on the one hand, and Purchaser B or any of its affiliates (other than the Investor), on the other, with respect to the subject matter hereof.

d. Severability. If any term, condition or other provision of this letter agreement is determined by a court of competent jurisdiction to be invalid, illegal or incapable of being enforced by any rule of law or public policy, all other terms, provisions and conditions of this letter agreement shall nevertheless remain in full force and effect. Upon such determination that any term or other provision hereof is invalid, illegal or incapable of being enforced, (i) a suitable and equitable term or provision determined by a court of competent jurisdiction shall be substituted therefor in order to carry out, so far as may be valid, legal and enforceable under law, the intent and purpose of such invalid, illegal or unenforceable term or provision, and (ii) the remainder of this letter agreement and the application of such terms and other provision to other Persons or circumstances shall not be affected by such invalidity, illegality or unenforceability, nor shall such invalidity, illegality or unenforceability affect the validity, legality or enforceability of such term or provision, or the application of such term or provision, in any other jurisdiction. Notwithstanding anything in this letter agreement or otherwise to the contrary, (I) this letter agreement may not be enforced against the Investor without giving effect to the limitations represented by the Maximum Investor Commitment and the Aggregate Commitment, and (II) for the avoidance of doubt, the obligations under this letter agreement are several (and not joint and several) from the obligations of the parties to the Co-Sponsor Financing Commitment Letter thereunder, and the Investor shall not be liable or otherwise responsible for, directly or indirectly, for any breach of the Co-Sponsor Financing Commitment Letter by the parties thereto.

e. Governing Law; Submission to Jurisdiction. This letter agreement shall be governed by, and construed in accordance with, the laws of the State of Israel without giving effect to its conflict of laws principles. Any Proceeding brought with respect to this letter agreement must be brought in any court of competent jurisdiction in Tel Aviv-Jaffa, Israel and, by execution and delivery of this letter agreement, each party (i) accepts, generally and unconditionally, the exclusive jurisdiction of such courts and any related appellate court, and irrevocably agrees to be bound by any judgment rendered thereby in connection with this letter agreement and (ii) irrevocably waives any objection it may now or hereafter have as to the venue of any such suit, action or Proceeding brought in such a court or that such court is an inconvenient forum.

Limited Guarantee, dated as of June 24, 2019 (this "Limited Guarantee"), by each of the parties listed on Exhibit A hereto (each, a "Guarantor" and collectively, the "Guarantors"), in favor of Internet Gold - Golden Lines Ltd. and B Communications Ltd. (collectively, the "Guaranteed Party"). Reference is made to that certain Share Purchase Agreement, dated as of even date herewith (the "Purchase Agreement"), by and among Searchlight II BZQ, L.P., a Cayman Islands exempt limited partnership ("Purchaser A"), T.N.R. The Guaranteed Party hereby agrees that the Guarantors shall in no event be required to pay to any Person or Persons in the aggregate more than the Maximum Aggregate Amount (and that each Guarantor shall in no event be required to pay to any Person or Persons in the aggregate more than such Guarantor's Maximum Guarantor Amount) under, in respect of, or in connection with this Limited Guarantee or the Purchase Agreement, and no Guarantor shall have any obligation or liability to any Person under, in respect of or in connection with this Limited Guarantee or the Purchase Agreement other than under this Guarantee as specifically and expressly set forth herein. The guarantee by the Guarantors of the Guaranteed Obligations under this Limited Guarantee may be enforced for the payment of money only. Notwithstanding anything to the contrary contained in this Limited Guarantee, in the Purchase Agreement or otherwise, the Guaranteed Party hereby agrees that to the extent Purchaser is relieved of all or any portion of its payment obligations under the Purchase Agreement by satisfaction thereof or pursuant to any other agreement with the Guaranteed Party, each Guarantor shall be similarly relieved, to such extent, of its respective obligations under this Limited Guarantee.

2. Terms of Limited Guarantee: Recovery Claim.

(a) This Limited Guarantee is one of payment, not collection, and a separate action or actions may be brought and prosecuted against the Guarantors to enforce this Limited

(ii) that the Guaranteed Party is bound by and shall comply with the applicable terms and conditions of Sections 2, 3, 6 and 6 of the Equity Commitment Letter, dated as of the date hereof, by and between Purchaser A and the Guarantors (the "Equity Commitment Letter");

(iii) the Guarantors shall not have any obligation or liability to any Person relating to, arising out of or in connection with the Purchase Agreement, this Limited Guarantee, the Equity Commitment Letter or the transactions contemplated thereby or hereby, other than as expressly set forth herein or in the Equity Commitment Letter; and

(iv) notwithstanding anything to the contrary in this Limited Guarantee, the Equity Commitment Letter, the Purchase Agreement or otherwise, it has no and shall have no right of recovery against the Guarantors or any of any of the Non-Recourse Parties (as defined in the Equity Commitment Letter), through any Guarantor, Purchaser A or otherwise, whether by or through attempted piercing of the corporate, limited liability company or limited partnership veil, by or through a claim by or on behalf of Purchaser A against the Guarantors or any of the Non-Recourse Parties, or otherwise, except for its rights against the Guarantors under this Limited Guarantee pursuant to the terms and subject to the conditions hereof and except for the Retained Claims (as defined in the Equity Commitment Letter).

(b) Recourse against the Guarantors under this Limited Guarantee shall be the sole and exclusive remedy (whether at law, in equity, in contract, in tort or otherwise) of the Guaranteed Party and its Non-Recourse Parties against the Guarantors and their respective Non-Recourse Parties in respect of any breaches, Losses or other damages relating to, arising out of or in connection with, the Purchase Agreement or the transactions contemplated thereby, including in respect of any oral representations made or alleged to be made in connection therewith, other than any Retained Claims (as defined in the Equity Commitment Letter). The Guaranteed Party hereby unconditionally and irrevocably covenants and agrees that it shall not institute, and shall cause its Non-Recourse Party not to institute, any Proceeding or bring any other claim (whether at law, in equity, in contract, in tort or otherwise) relating to, arising out of or in connection with, the Purchase Agreement, the Equity Commitment Letter or the transactions contemplated by the Purchase Agreement or the Equity Commitment Letter, or in respect of any oral representations made or alleged to be made in connection therewith or herewith, against any Guarantor or its Non-Recourse Parties, except for claims of the Guaranteed Party against the Guarantors under this Limited Guarantee and Retained Claims (as defined in the Equity Commitment Letter).

(c) The Guaranteed Party further covenants and agrees that it shall not have the right to recover, and shall not recover, and shall not institute, directly or indirectly, and shall cause its Non-Recourse Parties not to institute, any Proceeding or bring any other claim to recover, more than the Maximum Aggregate Amount in respect of any liabilities or obligations of the Guarantors, their permitted assigns or Purchaser A, or the applicable Maximum Guarantor Amount from each Guarantor and its permitted assigns in respect of any liabilities or obligations of the Guarantors, their permitted assigns or Purchaser A, relating to, arising out of or in connection with the Purchase Agreement, this Limited Guarantee or the transactions contemplated thereby or hereby, and the Guaranteed Party shall promptly return all monies paid to it or its Non-Recourse Parties in excess of the Maximum Aggregate Amount or applicable Maximum Guarantor Amount.

(d) Nothing set forth in this Limited Guarantee shall confer or give to any Person other than the Guaranteed Party any rights or remedies against any Person, including the Guarantors, except as expressly and specifically set forth herein. The Guaranteed Party acknowledges that each Guarantor is agreeing to enter into this Limited Guarantee in reliance on the provisions set forth in this Section 3. This Section 3 shall survive termination of this Limited Guarantee in perpetuity.

4. Representations and Warranties. Each Guarantor (on a several, and not joint and several, basis) hereby represents and warrants with respect to itself that:

(a) this Limited Guarantee is a legal, valid and binding obligation of such Guarantor, enforceable against such Guarantor in accordance with its terms, subject to bankruptcy, insolvency, reorganization and other Legal Requirements of general applicability relating to or affecting creditors' rights and to general equity principles; and

(b) such Guarantor has unfunded capital commitments in an amount not less than such Guarantor's Maximum Guarantor Amount or has such other financial means at its disposal to enable such Guarantor to pay such Guarantor's Maximum Guarantor Amount when due pursuant to this Limited Guarantee.

5. Termination. Notwithstanding anything to the contrary, this Limited Guarantee shall terminate and the Guarantors shall have no further obligation under or in connection with this Limited Guarantee as of the earliest to occur of: (i) the Closing; (ii) the payment of the Guaranteed Obligations; (iii) the thirty (30) day anniversary of the termination of the Purchase Agreement if no claim is brought hereunder in writing alleging such Guaranteed Obligations are due and owing prior to such thirty (30) day anniversary; provided that if such claim is brought, this Limited Guarantee shall not terminate with respect to the Guaranteed Obligations subject to such claim until either (x) a final resolution of such claim by a final, non-appealable judgment of a court of competent jurisdiction and payment of such Guaranteed Obligations, if applicable (or the date of such final resolution if such Guaranteed Obligations are determined by such court not to be payable), or (y) a written agreement signed by the Guarantors and the Guarantee terminating this Limited Guarantee; and (iv) the termination of this Limited Guarantee by mutual written agreement of the Guarantors and the Guaranteed Party. Upon any termination of this Limited Guarantee in accordance with and subject to the first sentence of this Section 5, no Person shall have any rights or claims against any of Purchaser A, the Guarantors or their respective Non-Recourse Parties under the Purchase Agreement, this Limited Guarantee, the Equity Commitment Letter or in respect of any oral representations made or alleged to be made in connection herewith, whether at law or equity, in contract, in tort or otherwise, and none of Purchaser A, the Guarantors or their respective Non-Recourse Parties shall have any further liability or obligation relating to or arising out of the Purchase Agreement, this Limited Guarantee or the Equity Commitment Letter, in respect of the transactions contemplated thereby or hereby or in respect of any oral representations made or alleged to be made in connection herewith or therewith. In the event that the Guaranteed Party or any of its Non-Recourse Parties asserts, directly or indirectly, in any litigation or any other proceeding (whether at law, in equity, in contract, in tort or otherwise) (1) that the provisions of Section 1 hereof limiting the each Guarantors' liability to the Maximum Aggregate Amount or any Guarantor's liability to such Guarantor's Maximum Guarantor Amount, (2) that the provisions of Section 3 hereof are illegal, invalid or unenforceable, in whole or in part, or (3) any theory of liability against any Guarantor or any of its Non-Recourse Parties with respect to the transactions contemplated by the Purchase Agreement (including in respect of any oral representations made or alleged to be made in connection therewith) other than a Retained Claim, (x) the obligations of each Guarantor under this Limited Guarantee shall terminate, ab initio, and shall be null and void, (y) if any Guarantor has previously made any payments under this Limited Guarantee, such Guarantor shall be entitled to recover such payments from the Guaranteed Party, and (z) none of Purchaser A, the

Guarantors nor any of its or their respective Non-Recourse Parties shall have any liability to the Guaranteed Party or any of its Non-Recourse Parties with respect to the transactions contemplated by the Purchase Agreement, the Equity Commitment Letter or this Limited Guarantee (including in respect of any oral representations made or alleged to be made in connection therewith or herewith) any other agreement or instrument delivered in connection with any of the foregoing or the transactions contemplated hereby or thereby.

6. Continuing Guarantee. Limited Guarantee, dated as of June 24, 2019 (this "Limited Guarantee"), by the party listed on Exhibit A hereto (the "Guarantor"), an entity fully owned by the Fuhrer family, in favor of Internet Gold - Golden Lines Ltd. and B Communications Ltd. (collectively, the "Guaranteed Party"). Investments LTD., a limited liability company organized and existing under the laws of the State of Israel ("Purchaser B"), and the Guaranteed Party. Except as otherwise specified herein, capitalized terms used herein but not otherwise defined have the respective meanings ascribed to them in the Purchase Agreement.

1. Limited Guarantee. To induce the Guaranteed Party to enter into the Purchase Agreement, The Guarantor hereby guarantees to the Guaranteed Party, on the terms and subject to the conditions set forth herein, payment of the payment obligations of Purchaser B under the Purchase Agreement, solely to the extent exist and payable following the valid termination of the Purchase Agreement, in each case, on the terms and subject to the conditions set forth in the Purchase Agreement (including Section 8.2(b) thereof) and herein (the "Guaranteed Obligations"), in an amount equal to the Maximum Aggregate Amount (as defined below) set on Exhibit A hereto (The "Maximum Guarantor Amount"); provided that (a) the maximum liability of the Guarantor hereunder shall not exceed the Guarantor's Maximum Guarantor Amount, (b) the maximum aggregate liability of the Guarantor hereunder shall not exceed three million and nine hundred thousand New Israeli Shekels (NIS 3,900,000) (the "Maximum Aggregate Amount"). It being understood and agreed that this Limited Guarantee may not be enforced without giving full and absolute effect to the Maximum Aggregate Amount. The Guaranteed Party hereby agrees that the Guarantor shall in no event be required to pay to any Person or Persons in the aggregate more than the Maximum Aggregate Amount under, in respect of, or in connection with this Limited Guarantee or the Purchase Agreement, and that the Guarantor shall not have any obligation or liability to any Person under, in respect of or in connection with this Limited Guarantee or the Purchase Agreement other than under this Guarantee as specifically and expressly set forth herein. The guarantee by the Guarantor of the Guaranteed Obligations under this Limited Guarantee may be enforced for the payment of money only. Notwithstanding anything to the contrary contained in this Limited Guarantee, in the Purchase Agreement or otherwise, the Guaranteed Party hereby agrees that to the extent Purchaser is relieved of all or any portion of its payment obligations under the Purchase Agreement by satisfaction thereof or pursuant to any other agreement with the Guaranteed Party, the Guarantor shall be similarly relieved, to such extent, of its respective obligations under this Limited Guarantee.

2. Terms of Limited Guarantee; Recovery Claim.

(a) This Limited Guarantee is one of payment, not collection, and a separate action or actions may be brought and prosecuted against the Guarantor to enforce this Limited Guarantee (solely in accordance with and subject to its terms, including the limitations contained herein), irrespective of whether any action is brought against Purchaser B or whether Purchaser B is joined in any such action or actions. The Guarantor reserves the right, notwithstanding anything to the contrary provided herein or otherwise, to (i) set off any amount owed hereunder by it against any payment owing by the Guaranteed Party to Purchaser B or the Guarantor, and (ii) assert any

and all defenses which the Guarantor, Purchaser B or any of their affiliates may have against payment of the Guaranteed Obligations.

(b) The liability of the Guarantor under this Limited Guarantee shall, to the fullest extent permitted under applicable Legal Requirements, be absolute and unconditional, irrespective of:

(i) any change in the corporate existence, structure or ownership of Purchaser B or any insolvency, bankruptcy, reorganization, liquidation or other similar proceeding of Purchaser B;

(ii) any change in the manner, place or terms of payment or performance, or any change or extension of the time of payment or performance of, renewal or alteration of, the Guaranteed Obligations, or any liability incurred directly or indirectly in respect thereof; or

(iii) the existence of any claim, set-off or other right that the Guarantors may have at any time against Purchaser B, whether in connection with any of the Guaranteed Obligations or otherwise.

Notwithstanding the foregoing or anything to the contrary in this Limited Guarantee, the Guarantor shall be fully released and discharged hereunder if the Guaranteed Obligations are paid in full by Purchaser B or any other Person.

3. Sole Remedy.

(a) The Guaranteed Party acknowledges and agrees that:

(i) the sole cash assets of Purchaser B are cash in a *de minimis* amount (if any), and that no additional funds are expected to be contributed to Purchaser B unless and until the Closing occurs;

(ii) that the Guaranteed Party is bound by and shall comply with the applicable terms and conditions of Sections 2, 3, 6 and 6 of the Equity Commitment Letter, dated as of the date hereof, by and between Purchaser B and the Guarantor (the "Equity Commitment Letter");

(iii) the Guarantor shall not have any obligation or liability to any Person relating to, arising out of or in connection with the Purchase Agreement, this Limited Guarantee, the Equity Commitment Letter or the transactions contemplated thereby or hereby, other than as expressly set forth herein or in the Equity Commitment Letter; and

(iv) notwithstanding anything to the contrary in this Limited Guarantee, the Equity Commitment Letter, the Purchase Agreement or otherwise, it has no and shall have no right of recovery against the Guarantor or any of the Non-Recourse Parties (as defined in the Equity Commitment Letter), through any Guarantor, Purchaser B or otherwise, whether by or through attempted piercing of the corporate, limited liability company or limited partnership veil, by or through a claim by or on behalf of Purchaser B

against the Guarantor or any of the Non-Recourse Parties, or otherwise, except for its rights against the Guarantor under this Limited Guarantee pursuant to the terms and subject to the conditions hereof and except for the Retained Claims (as defined in the Equity Commitment Letter).

(b) Recourse against the Guarantor under this Limited Guarantee shall be the sole and exclusive remedy (whether at law, in equity, in contract, in tort or otherwise) of the Guaranteed Party and its Non-Recourse Parties against the Guarantor and its respective Non-Recourse Parties in respect of any breaches, Losses or other damages relating to, arising out of or in connection with, the Purchase Agreement or the transactions contemplated thereby, including in respect of any oral representations made or alleged to be made in connection therewith, other than any Retained Claims (as defined in the Equity Commitment Letter). The Guaranteed Party hereby unconditionally and irrevocably covenants and agrees that it shall not institute, and shall cause its Non-Recourse Party not to institute, any Proceeding or bring any other claim (whether at law, in equity, in contract, in tort or otherwise) relating to, arising out of or in connection with, the Purchase Agreement, the Equity Commitment Letter or the transactions contemplated by the Purchase Agreement or the Equity Commitment Letter, or in respect of any oral representations made or alleged to be made in connection therewith or herewith, against the Guarantor or its Non-Recourse Parties, except for claims of the Guaranteed Party against the Guarantor under this Limited Guarantee and Retained Claims (as defined in the Equity Commitment Letter).

(c) The Guaranteed Party further covenants and agrees that it shall not have the right to recover, and shall not recover, and shall not institute, directly or indirectly, and shall cause its Non-Recourse Parties not to institute, any Proceeding or bring any other claim to recover, more than the Maximum Aggregate Amount in respect of any liabilities or obligations of the Guarantor, their permitted assigns or Purchaser B, or the applicable Maximum Guarantor Amount from the Guarantor and its permitted assigns in respect of any liabilities or obligations of the Guarantor, its permitted assigns or Purchaser B, relating to, arising out of or in connection with the Purchase Agreement, this Limited Guarantee or the transactions contemplated thereby or hereby, and the Guaranteed Party shall promptly return all monies paid to it or its Non-Recourse Parties in excess of the Maximum Aggregate Amount or applicable Maximum Guarantor Amount.

(d) Nothing set forth in this Limited Guarantee shall confer or give to any Person other than the Guaranteed Party any rights or remedies against any Person, including the Guarantor, except as expressly and specifically set forth herein. The Guaranteed Party acknowledges that the Guarantor is agreeing to enter into this Limited Guarantee in reliance on the provisions set forth in this Section 3. This Section 3 shall survive termination of this Limited Guarantee in perpetuity.

4. Representations and Warranties. The Guarantor (on a several, and not joint and several, basis) hereby represents and warrants with respect to itself that:

(a) this Limited Guarantee is a legal, valid and binding obligation of such Guarantor, enforceable against such Guarantor in accordance with its terms, subject to bankruptcy, insolvency, reorganization and other Legal Requirements of general applicability relating to or affecting creditors' rights and to general equity principles; and

(b) such Guarantor has unfunded capital commitments in an amount not less than such Guarantor's Maximum Guarantor Amount or has such other financial means at its disposal to enable such Guarantor to pay such Guarantor's Maximum Guarantor Amount when due pursuant to this Limited Guarantee.

5. Termination. Notwithstanding anything to the contrary, this Limited Guarantee shall terminate and the Guarantor shall have no further obligation under or in connection with this Limited Guarantee as of the earliest to occur of: (i) the Closing; (ii) the payment of the Guaranteed Obligations; (iii) the thirty (30) day anniversary of the termination of the Purchase Agreement if no claim is brought hereunder in writing alleging such Guaranteed Obligations are due and owing prior to such thirty (30) day anniversary; provided that if such claim is brought, this Limited Guarantee shall not terminate with respect to the Guaranteed Obligations subject to such claim until either (x) a final resolution of such claim by a final, non-appealable judgment of a court of competent jurisdiction and payment of such Guaranteed Obligations, if applicable (or the date of such final resolution if such Guaranteed Obligations are determined by such court not to be payable), or (y) a written agreement signed by the Guarantor and the Guarantee terminating this Limited Guarantee; and (iv) the termination of this Limited Guarantee by mutual written agreement of the Guarantor and the Guaranteed Party. Upon any termination of this Limited Guarantee in accordance with and subject to the first sentence of this Section 5, no Person shall have any rights or claims against any of Purchaser B, the Guarantor or their respective Non-Recourse Parties under the Purchase Agreement, this Limited Guarantee, the Equity Commitment Letter or in respect of any oral representations made or alleged to be made in connection herewith, whether at law or equity, in contract, in tort or otherwise, and none of Purchaser B, the Guarantor or their respective Non-Recourse Parties shall have any further liability or obligation relating to or arising out of the Purchase Agreement, this Limited Guarantee or the Equity Commitment Letter, in respect of the transactions contemplated thereby or hereby or in respect of any oral representations made or alleged to be made in connection herewith or therewith. In the event that the Guaranteed Party or any of its Non-Recourse Parties asserts, directly or indirectly, in any litigation or any other proceeding (whether at law, in equity, in contract, in tort or otherwise) (1) that the provisions of Section 1 hereof limiting the Guarantor's liability to the Maximum Aggregate Amount or any Guarantor's liability to such Guarantor's Maximum Guarantor Amount, (2) that the provisions of Section 3 hereof are illegal, invalid or unenforceable, in whole or in part, or (3) any theory of liability against the Guarantor or any of its Non-Recourse Parties with respect to the transactions contemplated by the Purchase Agreement (including in respect of any oral representations made or alleged to be made in connection therewith) other than a Retained Claim, (x) the obligations of the Guarantor under this Limited Guarantee shall terminate, ab initio, and shall be null and void, (y) if the Guarantor has previously made any payments under this Limited Guarantee, such Guarantor shall be entitled to recover such payments from the Guaranteed Party, and (z) none of Purchaser B, the Guarantor nor any of its or their respective Non-Recourse Parties shall have any liability to the Guaranteed Party or any of its Non-Recourse Parties with respect to the transactions contemplated by the Purchase Agreement, the Equity Commitment Letter or this Limited Guarantee (including in respect of any oral representations made or alleged to be made in connection therewith or herewith) any other agreement or instrument delivered in connection with any of the foregoing or the transactions contemplated hereby or thereby.

6. Continuing Guarantee. Except to the extent terminated pursuant to the provisions of Section 5 of this Limited Guarantee, this Limited Guarantee is a continuing one and shall remain

in full force and effect until the payment and satisfaction in full of the Guaranteed Obligations, shall be binding upon the Guarantor, its successors and assigns. All obligations to which this Limited Guarantee applies or may apply under the terms hereof shall be conclusively presumed to have been created in reliance hereon.

7. Entire Agreement. This Limited Guarantee constitutes the entire agreement among the parties with respect to the subject matter hereof and supersedes any and all prior discussions, negotiations, proposals, undertakings, understandings and agreements, whether written or oral, among Purchaser B and the Guarantor or any of their Non-Recourse Parties, on the one hand, and the Guaranteed Party or any of its Non-Recourse Parties, on the other hand. Except as provided in this Limited Guarantee, no representation or warranty has been made or relied upon by any of the parties to this Limited Guarantee with respect to this Limited Guarantee or the transactions contemplated hereby.

8. Amendments and Waivers. No amendment or waiver of any provision of this Limited Guarantee will be valid and binding unless it is in writing and signed, in the case of an amendment, by the Guarantor and the Guaranteed Party or, in the case of a waiver, by the party or each of the parties against whom the waiver is to be effective. No waiver by any party of any breach or violation of, or default under, this Limited Guarantee, whether intentional or not, will be deemed to extend to any prior or subsequent breach, violation or default hereunder or affect in any way any rights arising by virtue of any prior or subsequent such occurrence. No delay or omission on the part of any party in exercising any right, power, or remedy under this Limited Guarantee will operate as a waiver thereof.

9. Counterparts. This Limited Guarantee may be executed in any number of counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.
